Dethroning Jesus Darrell L. Bock, Daniel B. Wallace, 2010-05-17 New York Times bestselling author Dr Darrell Bock teams up with Dr Daniel Wallace to help you separate fact from fiction among constant attacks on Christianity from popular culture and bogus scholars There is a quest going on to reduce Jesus to a mythic legend or to nothing more than a mere man Scholars such as Elaine Pagels and James Tabor are using recent discoveries like the Gospel of Judas and the Gospel of Thomas to argue that the Christ of Christianity is a contrived figure and that a different Christ one human and not divine is the true Christ Both research professors Bock and Wallace set out a vigorous defense of Christianity against a popular trend that they dub Jesusanity where Christ was simply a human teacher In their trademark easy to understand style the authors take on attempts to redefine Jesus in a convincing way that will help you understand that the orthodox understanding of Christ and his divinity is as trustworthy and sure as it ever was This book Refutes the six main claims that represent a large part of skepticism about Jesus today Provides credible answers to attacks on the traditional texts Defends against the interpretations of bogus scholars and the arguments of biased scholars Constructs a positive case for the Jesus of faith If you re exhausted by the constant attempts to dethrone Jesus renew the security of your knowledge of who Jesus really is the Son of God

Understanding Jesus Peter S Williams,2014-08-08 Examines the Gospel accounts of Jesus life the claims of Jesus life and ministry Peter S Williams brings a philosopher s Jesus and argues that understanding the spirituality of Jesus is the path to our own spiritual enlightenment Williams takes issue with new atheist discussions of faith and historical Jesus studies before guiding Christian understanding of Jesus

[The Jesus Who Never Lived](#) H. Wayne House,2008 Jesus asked no more profound question than this one that He posed to His disciples He asks that same question of you today But how can anyone know for certain who Jesus is when confronted with so many different views of Him Is He the good but powerless Jesus of world religions the less than fully God Jesus of the cults of Christianity the mystical and even sensual Jesus of Hollywood and popular media

[Entering the Fray](#) T. Michael W. Halcomb,2012-08-02 In modern times the relationship between the church and academy has been strained and tension filled Mainstream church culture has often been skeptical of Bible scholars depicting them as self serving intellectuals trying to out think God by devising new and controversial interpretations Just as well academics have often leveled harsh critiques against church culture painting pastors and laity as anti intellectual pseudo spiritualists *Entering the Fray* argues that in spite of the wide gap between the academic and ecclesiastical worlds the modern church should be aware of the key discussions taking place among biblical scholars To be sure the average churchgoer has not been tuned in to scholarly conversations concerning matters such as the Messianic Secret Q the Historical Jesus the pistis Christou debate and related topics In fact they may have purposefully tuned out Some however are simply unaware that any such dialogue has taken place and beyond the internet may not have the first clue as to how to explore the details This primer seeks to function as that first clue by helping congregants pastors and students of the Bible enter into the fray of scholarly discussions that over the last few hundred years have shaped both the academy and church The companion website can be found at <http://michaelhalcomb.com/enteringthefray/home.html>

Jesus and the Gospels Craig L. Blomberg,2009 This second edition of *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Craig Blomberg considers the

historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries. The original 1997 book won a Gold Medallion Award from the Evangelical Christian Publishers Association and this updated version factoring in new scholarship, debate, critical methods and the ongoing quest of the historical Jesus ensures the work will remain a top tool for exploring the life of Christ through the first four books of the New Testament. **THE READING**

CULTURE OF EARLY CHRISTIANITY Edward D. Andrews, 2019-04-24. **THE READING CULTURE OF EARLY CHRISTIANITY** provides the reader with the production process of the New Testament books, the publication process, how they were circulated and to what extent they were used in the early Christian church. It examines the making of the New Testament books, the New Testament secretaries and the material they used, how the early Christians viewed the New Testament books, and the literacy level of the Christians in the first three centuries. It also explores how the gospels went from an oral message to a written record, the accusation that the apostles were uneducated, the inspiration and inerrancy in the writing process of the New Testament books, the trustworthiness of the early Christian copyists, and the claim that the early scribes were predominantly amateurs. Andrews also looks into the early Christian's use of the codex book form, how did the spread of early Christianity affect the text of the New Testament, and how was the text impacted by the Roman Empire's persecution of the early Christians. **The Cradle, the Cross, and the Crown** Andreas J. Köstenberger, L. Scott

Kellum, Charles L. Quarles, 2016-08-15. **The Cradle, the Cross, and the Crown** guides serious New Testament students through the historical, literary, and theological dimensions of the biblical text, allowing them to better understand and share God's word of truth (2 Tim 2:15). It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth, his crucifixion and resurrection, and triumphant return. The second edition features updated bibliographies and footnotes, interpretation sections that cover different literary genres in the New Testament, an epilogue that canvasses the entire storyline of Scripture, and a variety of maps. All of these new features contribute to making this a life-long resource for students of Scripture.
