

ALEXIS DE TOCQUEVILLE

Democracy in America

TRANSLATED, EDITED, AND WITH AN INTRODUCTION BY
HARVEY C. MANSFIELD AND DELBA WINTHROP

Democracy America Alexis Tocqueville

Alexis de Tocqueville

Democracy America Alexis Tocqueville:

Democracy in America Alexis de Tocqueville, 2012-10-18 Alexis de Tocqueville 1805-59 came to America in 1831 to see what a great republic was like. What struck him most was the country's equality of conditions, its democracy. The book he wrote on his return to France, *Democracy in America*, is both the best ever written on democracy and the best ever written on America. It remains the most often quoted book about the United States, not only because it has something to interest and please everyone, but also because it has something to teach everyone. When it was published in 2000, Harvey Mansfield and Delba Winthrop's new translation of *Democracy in America* was only the third since the original two-volume work was published in 1835 and 1840. It was lauded in all quarters as the finest and most definitive edition of Tocqueville's classic. Thus far, Mansfield and Winthrop have restored the nuances of Tocqueville's language with the expressed goal to convey Tocqueville's thought as he held it, rather than to restate it in comparable terms of today. The result is a translation with minimal interpretation but with impeccable annotations of unfamiliar references and a masterful introduction placing the work and its author in the broader contexts of political philosophy and statesmanship. **Democracy in America** Alexis de

Tocqueville, 1998 Tocqueville examines the structures, institution, and operation of democracy and analyzes the lessons that Europe could learn from American successes and failures. It continues to be an influential text on both sides of the Atlantic, especially in the emerging democracies of Eastern Europe. Democracy in America Alexis De Tocqueville, 2004-06-01 From America's call for a free press to its embrace of the capitalist system, *Democracy in America* first published in 1835 enlightens, entertains, and endures as a brilliant study of our national government and character. Philosopher John Stuart Mill called it among the most remarkable productions of our time. Woodrow Wilson wrote that de Tocqueville's ability to illuminate the actual workings of American democracy was possibly without rival. For today's readers, de Tocqueville's concern about the effect of majority rule on the rights of individuals remains deeply meaningful. His shrewd observations about the almost royal prerogatives of the president and the need for virtue in elected officials are particularly prophetic. His profound insights into the great rewards and responsibilities of democratic government are words every American needs to read, contemplate, and remember. From America's call for a free press to its embrace of the capitalist system, *Democracy in America* enlightens, entertains, and endures as a brilliant study of our national government and character. De Tocqueville's concern about the effect of majority rule on the rights of individuals remains deeply meaningful. His insights into the great rewards and responsibilities of democratic government are words every American needs to read, contemplate, and remember.

Democracy in America Alexis de Tocqueville, 2018-07-27 *De La Démocratie en Amérique* published in two volumes, the first in 1835 and the second in 1840, is a classic French text by Alexis de Tocqueville. Its title translates as *On Democracy in America*, but English translations are usually simply entitled *Democracy in America*. In the book, Tocqueville examines the democratic revolution that he believed had been occurring over the previous several hundred years. Democracy in

America Alexis de Tocqueville, 2001 A French aristocrat's account of the ways in which democratic ideals were applied in America during the nineteenth century

Democracy in America Alexis de Toqueville, 2022-11-13 In *Democracy in America* Alexis de Tocqueville presents a profound exploration of the young American democracy and its societal implications following his visit in the early 1830s. Structured as a two-volume work, Tocqueville's literary style combines astute observations, philosophical analysis, and sociological insights reflecting the Enlightenment thought prevalent in 19th-century Europe. He meticulously examines the principles of equality, individualism, and the interplay between liberty and social order, offering a balanced critique of democracy's strengths and weaknesses, which has become a seminal text in political theory and sociology. Alexis de Tocqueville, a French aristocrat and political thinker, was profoundly influenced by the turbulent political landscape of his homeland, which experienced revolutions and upheavals during his lifetime. His commitment to understanding democracy was informed by his own observations of the American experiment, contrasting it with Europe's struggles to achieve similar democratic ideals. His nuanced perspectives as a foreign observer provide invaluable insights into the social fabric and political dynamics of early America, making the text a significant contribution to comparative politics. I highly recommend *Democracy in America* to readers seeking to grasp the complexities of democratic society and its implications for contemporary governance. Tocqueville's insights remain remarkably relevant today as they encourage critical reflection on the nature of freedom, equality, and civic responsibility, making it essential reading for anyone interested in the evolutionary trajectory of democratic ideals.

Tocqueville: Democracy in America Alexis de Tocqueville, 2010-01-18

Tocqueville's *Democracy in America*, written by legendary author Alexis de Tocqueville, is widely considered to be one of the greatest books of all time. This great classic will surely attract a whole new generation of readers. For many, Tocqueville's *Democracy in America* is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature, this gem by Alexis de Tocqueville is highly recommended. Published by Classic Books International and beautifully produced, Tocqueville's *Democracy in America* would make an ideal gift and it should be a part of everyone's personal library.
