52 Words Every Christian Should Know Kendell H. Easley, 2010-10-01. The Biblical Literacy Project recently released a report that once again underscores just how little young Americans know about the Bible. Even more surprising is that many Americans don't see why it's important to know something about the Bible. As a skilled educator, Kendell Easley continues to be surprised at how uninformed students are of basic biblical and theological terms as they enter college and seminary. Further, as a churchman and an active observer of the local church scene, he is persuaded that many people who have been in church all their lives have somehow failed to gain a basic understanding of essential Christian words. In *52 Words Every Christian Should Know*, Easley provides a Bible verse in which each word or concept is used, a succinct definition, and helpful articles further explaining the significance of each entry. Finally, he poses interactive questions to the readers, drawing them closer into a personal relationship with God.

What Every Christian Should Know about Islam Christian S. Anderson, 2008-09. What Every Christian Should Know about Islam can be read profitably by the serious student or by anyone who just wants to get a basic handle on the religion founded by Muhammed almost 1400 years ago. It is a distillation of the history and teachings of Islam written from a Christian perspective. An entire chapter is devoted to answering the false claims one will commonly find on Islamic web sites. Another chapter covers the subject of Islam and terrorism, and that the utilization of it as a jihadist tactic comes out of the tradition and philosophy of the revolutionary Left, rather than from the religion of Islam itself. Some other less-known facts one will discover in this book include the following: Muhammed married one of his favorite wives when she was merely a child of about nine. That the Sunni-Shia division of Islam

had its origin in a feud between two of Mecca's clans that dates from pre-Islamic times. The god of Islam, Allah, was originally the Lunar Deity of the pre-Islamic pagan Arabs. That Islam itself began as a Christian heresy. Muslims originally faced Jerusalem and not Mecca while in prayer. Mr. Anderson studied Biblical languages at Life Pacific College in Los Angeles, graduating with a BA degree in 1979. He also has AS degrees from Riverside Community College in Riverside, California. Following the terror attacks of September 11, 2001, he determined to learn everything he could about Islam and the jihadist threat. **What Every Christian Should Know** about Islam is a product of approximately 4 years of research. Mr. Anderson has taught the Bible, Christian doctrine, and apologetics for many years in various churches in Southern California's Inland Empire.

What Every Christian Should Know Dr. Robert Jeffress, 2023-01-03. We live in a time when believing in anything or nothing is considered equally truthful. Many people don't identify with a specific religion, preferring to think of themselves as spiritual to avoid seeming intolerant of other beliefs. This has led to some squishy ideas about right and wrong, as well as false teachings infiltrating our churches. More than ever, we must stand firm on the clear teaching of God's Word. In **What Every Christian Should Know**, Dr. Robert Jeffress equips you to understand ten core doctrines of Christianity so you can be confident that your faith is built on solid ground and stand strong against false teaching. Each chapter illuminates a core belief of the Christian faith, such as God's Word, the Trinity, angels, and demons, sin, salvation, future things, and more. Nothing is more hopeful and beneficial in our trying times than good theology. With vivid illustrations, clear explanations, and practical applications for believers today, this book will help you ground your faith in capital T truth.
