Charlotte Perriand A Life Of Creation:

A Life of Creation Charlotte Perriand, 2003 Charlotte Perriand has long been known in architectural circles for her association with famed Swiss French architect Le Corbusier for the important series of furniture they designed together for her own independent practice

Charlotte Perriand Charlotte Perriand, 2004 The acclaimed French designer Charlotte Perriand 1903 1999 worked in the studio of Le Corbusier in the late 1920s together with Le Corbusier and Pierre Jeanneret The famous Corbusier furniture pieces are the result of this unique collaboration A facsimile reproduction of Charlotte Perriand's 140 page *Livre de Bord* her sketchbook during the years 1927 1933 is the centrepiece of this publication Arthur Regg's introductory essay brings to life in text and image those pioneering years His precise and detailed commentaries inspire an appreciation and understanding of the richness of each drawing A 16 page dossier of illustrations recreates the famous 1929 *Salon d'Automne* and the original furnishings of Villa Church

The Routledge Companion to Women in Architecture Anna Sokolina, 2021-06-28 The *Routledge Companion to Women in Architecture* illuminates the names of pioneering women who over time continue to foster shape and build cultural spiritual and physical environments in diverse regions around the globe It uncovers the remarkable evolution of women's leadership professional perspectives craftsmanship and scholarship in architecture from the preindustrial age to the present The book is organized chronologically in five parts outlining the stages of women's expanding engagement leadership and contributions to architecture through the centuries It contains twenty nine chapters written by thirty three recognized scholars committed to probing broader topographies across time and place and presenting portraits of practicing architects leaders teachers writers critics and other kinds of professionals in the built environment The intertwined research sets out debates questions and projects around women in architecture stimulates broader studies and discussions in emerging areas and becomes a catalyst for academic programs and future publications on the subject The novelty of this volume is in presenting not only a collection of case studies but in broadening the discipline by advancing an incisive overview of the topic as a whole It is an invaluable resource for architectural historians academics students and professionals

Modern Asian Design D.J. Huppertz, 2018-02-22 *Modern Asian Design* provides a comprehensive introduction to the development of Asian design in the modern period both tracing historical threads and offering a theoretical framework within which to chart the history of design in Asia Rather than a singular Asian history this book presents a series of studies centred on trade routes colonial relationships regional networks and cross cultural exchanges *Modern Asian Design* builds on existing resources beyond design history in an effort to map the field focusing particularly on relations between Asia and the West and also across Asian design cultures Opening with a brief overview of trade and exchange networks in the 17th and 18th centuries the bulk of this study comprises analysis of the development of modern design in Asia during the later 19th and early 20th centuries a period of rapid modernisation The book's final two chapters bring these central ideas into a contemporary and highly relevant
