Cedar Summit Playset Manual:

Foster's Bridge Manual R. F. Foster, 2015-06-11 Excerpt from Foster's Bridge Manual A Complete System of Instruction in the Game Bridge although now very widely known and played is still in its infancy as a scientific game and there are many points about its minor tactics and its laws which are matters of dispute among the best players Quite a number of text books have already been published on the subject of bridge but they do not agree to such an extent that any one of them might be taken as a guide to a system of play that would be intelligible to any partner in any part of the world This should not be so as there should be no difficulty in selecting the methods which are best suited to the purpose in all such matters as opening leads second hand play returns echoes and discards All text books should agree in their instructions on these points and in such matters as the correct play of certain combinations of cards held between dealer and dummy About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
