Collecting Curating And Researching Writers Libraries A Handbook:

Collecting, Curating, and Researching Writers' Libraries Richard W. Oram, 2014-05-21 Academic collection practices in recent years have extended to the private libraries of notable individual authors As a consequence book historians have become more interested in the study of provenance of the contents of these libraries while literary scholars have devoted more attention to authorial annotations At the same time the Internet has encouraged both scholarly and hobbyist reconstructions of private libraries see for example the Legacy Libraries on Librarything com Although there are many bibliographies and reconstructions of the libraries of authors this is the first general consideration of these libraries and serves as an introduction to best practices for academic libraries in their acquisition cataloging and issues of access This collection begins with principal editor Richard Oram s historical overview of writers libraries and institutional collecting focusing primarily on English language authors The co editor Joseph Nicholson has provided a definitive review of best cataloging and arrangement practices that facilitate scholarly access The bookseller Kevin Mac Donnell discusses the marketing of these collections and obstacles to placing intact author libraries in institutions Also included are case studies by Amanda Golden and David Faulds relating to the personal libraries of the poets Anne Sexton and Ted Hughes indicating how these collections have the potential to enhance archival research Fiction writers Iain Sinclair Russell Banks Jim Crace poet Ted Kooser and biographer Ron Powers describe their sometimes passionate relationship with books and their own personal libraries The concluding chapter a location guide to over 500 individual libraries will be invaluable to scholars and librarians who want to know where writers libraries are currently located what happened to them if they are known to have been sold or dispersed and what has been written about them *Transforming Author Museums* Ulrike Spring, Johan Schimanski, Thea Aarbakke, 2021-10-15 Literary museums today must respond to new challenges the traditional image of the author s home museum as a sacred place of literary pilgrimage centered around a national hero has been questioned and literary museums have begun to develop new strategies centered not only on biography but also literary texts imagined spaces different readers historical contexts architectural concepts and artistic interventions As this volume shows the changing of spaces asks how literary museums create new ways of interlinking real and literary spaces texts objects readers and tourists

Unpacking the Personal Library Jason Camlot, J.A. Weingarten, 2022-07-01 Unpacking the Personal Library The Public and Private Life of Books is an edited collection of essays that ponders the cultural meaning and significance of private book collections in relation to public libraries Contributors explore libraries at particular moments in their history across a wide range of cases and includes Alberto Manguel s account of the Library of Alexandria as well as chapters on library collecting in the middle ages the libraries of prime ministers and foreign embassies protest libraries and the slow transformation of university libraries and the stories of the personal libraries of Virginia Woolf Robert Duncan Sheila Watson Al Purdy and others The book shows how the history of the library is really a history of collection consolidation migration dispersal and

integration where each story negotiates private and public spaces Unpacking the Personal Library builds on and interrogates theories and approaches from library and archive studies the history of the book reading authorship and publishing Collectively the chapters articulate a critical poetics of the personal library within its extended social aesthetic and cultural contexts

Byron and Translation Maria Schoina, Alexander Grammatikos, 2024-11-15 This collection of essays offers an image of Byron not only as a poet for which he is best known but as a translator of foreign literature and culture To recover this underexplored element of Byron's work the contributors examine his translated pieces in both textual and extra textual contexts including analysis of manuscripts composition history publishing history and other literary and historical factors They explore the motives behind Byron's choice to translate in the first place as well as reconstructing the translational methods he applied and his ideas on translation and the role of the translator in general The book focuses too on Byron's geographical mobility which also involved the act of translation though in a metaphorical sense The cosmopolitan poet mediated and interpreted all the time foreign cultures behaviours modes of living customs and habits In this sense translation becomes for the poet a dynamic movement between languages across texts and around various contexts offering Byron a vital space for the articulation of his ideas Byron's translation work reminds us how Romantic writers and readers sought to learn about and engage with the wider world and its various languages

Contemporary Poetry Archive Linda Anderson, 2019-05-23 Explores critical and creative responses to the contemporary poetry archive Provides an innovative new dialogue between critics and creative writers on the value and practice of the literary archive Expands the scope for understanding perspectives on and the opposition between creative and critical relations to archival materials Opens up a new cross disciplinary agenda for thinking the archive as both a source for scholarship and a source of inspiration for creative practice These 13 newly commissioned chapters examine the impact of archival poetry collections on both literary scholarship and poetic practice They examine what we can learn from the drafts notebooks and personal libraries left behind by poets and look at the ways in which the growth of poetry archives has changed the way poets think about their work The contributing poets and scholars including Susan Howe Sean O'Brien and George Szirtes present an in depth account of the significance of poetry archives for contemporary literature The collection provides a new cross disciplinary agenda for thinking about the archive as both a source for scholarship and inspiration for creative practice

New Quotatoes: Joycean Exogenesis in the Digital Age, 2016-04-26 New Quotatoes Joycean Exogenesis in the Digital Age offers fourteen original essays on the genetic dossiers of Joyce's fiction and the ties that bind the literary archive to the transatlantic print sphere of the late nineteenth and early twentieth century Availing of digital media and tools online resources and new forms of access the contributions delve deeper than ever before into Joyce's programmatic reading for his oeuvre and they posit connections and textual relations with major and minor literary figures alike never before established The essays employ a broad range of genetic methodologies from traditional approaches to intertextuality and allusion to computational methods that plumb Large
