Danger! Women Artists at Work Debra N. Mancoff, 2012 The conventional history of art is one of great men making great paintings and displaying their works to a predominantly male audience in male run institutions Women however have had a role often working behind the scenes out of sight or in resistance to prevailing attitudes and practices And it is in these exceptions to the rules of the masculine world of art making that women artists have been perceived as groundbreaking defiant and even subversive A compelling selection of more than 60 artists from the early Renaissance to the present day among them Judith Leyster Mary Cassatt Frida Kahlo and Louise Bourgeois *Danger Women Artists at Work* explores the most intriguing and provocative aspects of art by women who shook up the art world Through a lively introduction and six thematic chapters dealing with such subjects as the ways in which women have challenged the boundaries of expression and how they have viewed the human body Debra N Mancoff presents an absorbing tale of those who have struggled and triumphed in their efforts to transform the visual arts

International Women Artists and War, 1560-2023 Deborah A. Deacon, 2024-09-25 Like many of their male peers women artists have used their chosen mediums to explore and express their reactions to the violence of war which they frequently experienced firsthand The 345 named artists discussed in this book come from diverse backgrounds across hundreds of years The book divides the 652 covered works of art into five general categories those that provide support for

the war effort those that oppose war and or support peace those that document the impacts of war on the individuals who fight and the civilians who experience it those that commemorate and memorialize the events and participants in war and general representations of those who fight While most of the women who documented the impact of war on those who experienced it were professional artists self taught artists have told equally compelling stories in their works Whether working in a studio or on the battlefield the women s professionalism and dedication allowed them to convey the impact of war powerfully Unpacking My Library Marcel Proust,2017-01-01 A captivating tour of the bookshelves of ten leading artists exploring the intricate connections between reading artistic practice and identity Taking its inspiration from Walter Benjamin s seminal 1931 essay the *Unpacking My Library* series charts a spirited exploration of the reading and book collecting practices of today s leading thinkers Artists and Their Books showcases the personal libraries of ten important contemporary artists based in the United States Mark Dion Theaster Gates Wangechi Mutu Ed Ruscha and Carrie Mae Weems Canada Janet Cardiff and George Bures Miller and the United Kingdom Billy Childish Tracey Emin and Martin Parr Through engaging interviews the artists discuss the necessity of reading and the meaning of books in their lives and careers This is a book about books but it even more importantly highlights the role of literature in shaping an artist s self presentation and persona Photographs of each artist s bookshelves present an evocative glimpse of personal taste of well loved and rare volumes and of the individual touches that make a bookshelf one s own The interviews are accompanied by top ten reading lists assembled by each artist an introduction by Jo Steffens and Marcel Proust s seminal essay *On Reading*
