

Dangerous Offenders The Elusive Target Of Justice

Sheilagh Hodgins

Dangerous Offenders The Elusive Target Of Justice:

Dangerous Offenders Mark Harrison Moore, 1983 **Dangerous Offenders** Mark H. Moore, 1984 Americans rank crime among the most urgent of social concerns Overflowing prisons and public outcry have led many to propose that the criminal justice system could control crime more effectively by focusing on dangerous offenders Recent social studies have suggested that serious criminality is highly concentrated and that high rate offenders can be distinguished from others on the basis of prior criminal conduct drug abuse and employment record Such studies urge judges to shift from rehabilitative sentencing to selective incapacitation with longer prison sentences for convicted criminals who are deemed unusually dangerous In response to these recommendations some prosecutors offices have established career criminal units designed to assure that repeat offenders will be prosecuted to the full measure of the law Some police departments are experimenting with perpetrator oriented patrols targeted on suspected high rate offenders The authors of this major book in criminal jurisprudence describe and analyze the intellectual and social challenge posed to public officials by this new thrust in criminal justice policy They develop a framework for evaluating policies that focus on dangerous offenders They first examine the general issues that arise as society considers the benefits and risks of concentrating on a particular category of criminals They then outline how that approach might work at each stage of the criminal justice system sentencing pretrial detention prosecution and investigation This cogently argued book provides much needed guidance on the crucial questions of whether sharpened attention to dangerous offenders is just whether such a policy can be effective in managing the problem of crime which applications seem particularly valuable what the long term risks to social institutions are and what uncertainties must be monitored and resolved as the policy evolves **Dangerous Offenders** Mark Brown, John Pratt, 2002-01-04 This highly controversial new book considers how the dangerous offender has become such a figure of collective anxiety for the citizens of rationalised Western societies The authors consider ideas of danger and social threat in historical perspective legal responses to violent criminals attempts to predict dangerous behaviour why particular groups such as women remain at risk from violent crime This inspired collection invites us to rethink the received wisdom on dangerous offenders and will be of interest to students and scholars in the fields of criminology and the sociology of Risk *Violence among the Mentally III* Sheilagh Hodgins, 2012-12-06 The NATO Advanced Study Institute on the Prevention of Crime and Violence Among the Mentally III was held in May 1999 in Tuscany Italy Participants from 15 countries attended Since care for persons with mental illness schizophrenia major depression bipolar disorder delusional disorder atypical psychoses has been deinstitutionalized some persons with these disorders are committing crimes and serious violence Consequently societies around the world are confronted with a new challenge to provide mental health care and social services to mentally ill persons in a humane way that will prevent illegal behaviours Research in this field has been dominated by investigations designed to improve clinicians accuracy in predicting violent behaviours with little attention focused on the organization and

implementation of treatments The premise of the Advanced Study Institute was that treatments must have empirically proven efficacy Both professional ethics and public accountability require empirical evidence that each treatment will alleviate the problem that it targets However despite the fact that Western industrial societies provide treatment for mentally ill persons who have offended there is a very limited base of knowledge on what constitutes effective treatment and how such treatments should be organized and delivered The Advanced Study Institute was an attempt to stimulate and encourage research that will extend this knowledge base The goals were to review what is known about mentally ill offenders and about effective treatments for them and to provide a framework for the orientation of future investigations designed to improve treatment efficacy

Crime and Deviance Tony Lawson, Tim Heaton, 2009-11-27 What do sociologists mean when they talk about crime and deviance Can we use theory to explain why individuals break the law And how do we measure criminal behaviour in modern society This book uses key concepts and essential theory to explore these questions and explain their answers The second edition of this student focused text continues to offer clear and structured guidance on the sociology of crime and deviance With basic definitions and clear analysis of theory and statistics this book gives its reader the tools to build their knowledge and understanding of the topic In particular this text Explores and critiques essential sociological theory including functionalist feminist and postmodernist debates Examines how criminal justice data and crime statistics are compiled Questions the reliability of social patterns of crime in terms of gender class age and ethnicity Looks at new types of crime from surveillance to terrorism and green crime to state crime As part of the Skills Based Sociology series this new edition of Crime and Deviance is packed with a variety of tasks activities and exam practice questions These encourage students to take an active role in their learning whilst promoting critical thinking alongside skill development This book is the perfect starting point for students keen to understand the sociology of crime and deviance as well as an excellent source for revision

Advances in Criminological Theory William S. Laufer, Freda Adler, 2017-11-30 Criminology has developed strong methodological tools over the past decades establishing itself as a competitive and sophisticated social science Despite and perhaps because of its emphasis on research design methodology and quantitative analysis criminology has had few significant advances in theory This is the first publication exclusively dedicated to the dissemination of original work on criminological theory It encourages theory construction and validation in existing criminological publications as well as furthering the free exchange of ideas propositions and postulates This volume is dedicated to a pioneer in criminology Donald Cressey and is especially noteworthy for its comparative and international dimension

Punishment, Places and Perpetrators Gerben Bruinsma, Henk Elffers, Jan De Keijser, 2012-12-06 This book brings together an influential group of academics and researchers to review key areas of research theory and methodology within criminology and criminal justice and to identify the most important new challenges facing the discipline The contributors focus on the three central themes of punishment and criminal justice location and mobility and perpetrators and criminal careers on which much cutting edge

research within criminology has been taking place A particular strength of the book is its multidisciplinary and international approach with contributors drawn from Europe the UK and the United States **District of Columbia Appropriations for 1999** United States. Congress. House. Committee on Appropriations. Subcommittee on District of Columbia Appropriations,1999 **District of Columbia Appropriations** United States. Congress. House. Committee on Appropriations,1999 *Violent Criminal Acts and Actors Revisited* Lonnie H. Athens,1997 Rather than finding the causes of criminal behavior in external forces or personality disorders as conventional wisdom often does the author renews his fundamental argument that a violent situation comes into being when defined by an individual as a situation that calls for violence that an actor responds to the circumstance as he or she defines it Based on the author s many firsthand interviews with offenders and on his personal experience this book augments his call to reexamine the source and locus of violent criminal behavior

Immerse yourself in the artistry of words with is expressive creation, **Dangerous Offenders The Elusive Target Of Justice** . This ebook, presented in a PDF format (*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Dangerous Offenders The Elusive Target Of Justice Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Dangerous Offenders The Elusive Target Of Justice PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Dangerous Offenders The Elusive Target Of Justice PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Dangerous Offenders The Elusive Target Of Justice free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Dangerous Offenders The Elusive Target Of Justice Books

1. Where can I buy Dangerous Offenders The Elusive Target Of Justice books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
