Daring To Live On The Edge The Adventure Of Faith And Finances:

Daring to Live on the Edge Loren Cunningham, 1991 Loren Cunningham's dream began with a vision waves of young people moving out across the continents announcing the Good News of Jesus Christ. Decades later Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the gospel to this generation. Loren speaks and teaches internationally and his missionary travels have taken him to every nation on earth. Loren Cunningham illustrates that trusting God in every area including finances is not just for those Christians called into full time ministry. Every Christian regardless of vocation can enter into the adventure of living by faith by firmly committing to obey God's will. A Christian who has experienced God's provision will be spoiled for the ordinary. **Daring to Live on the Edge** Loren Cunningham, Janice Rogers, 1991 In this best seller Loren Cunningham illustrates that trusting God in every area including finances is not the domain of only those Christians called to full time ministry. Every Christian can enter into the adventure of living by faith. What is important is not our vocation but whether or not we are committed to obeying God's will in our lives. If we are willing to step out in faith and trust in God doing whatever it is He has asked us to do then we will see His provision. Once we have experienced this we are spoiled for the ordinary. Daring to live on the edge: the adventures of faith and finances Loren Cunningham, 1991 **Faith Reads** David Rainey, 2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers. Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare. Award winning classics are noted. Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection. **Spiritual Warfare for Every Christian** Dean Sherman, 1995-06 Simply one of the best books on Spiritual Warfare available. God has called Christians to overcome the world and drive back the forces of evil and darkness at work within it. Spiritual warfare isn't just casting out demons it's Spirit controlled thinking and attitudes. Dean delivers a no nonsense both feet planted on the ground approach to the unseen world. Includes study guide. *Re-entry* Peter Jordan, 1992 Essential teaching for every short and long term outreach participant every church and mission agency that sends them. Peter Jordan's vital insightful teaching on the challenges and opportunities that await returning missionaries makes this essential reading for everyone involved in missions. A missions must read. I'm really excited about this book and thank God for its important and vital message. It is thirty years overdue. Short term missions without this emphasis and teaching can easily end up as a tragedy instead of a triumph. George Verwer International Dir Operation Mobilization Having counseled with hundreds of returning missionaries Peter Donna know from experience the re entry challenges and opportunities that await missionaries worldwide. They have much to say on this vital subject of re entry and the authority to say it. Loren Cunningham Founder and President Youth With a

Decades later Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the gospel to this generation. Loren speaks and teaches internationally and his missionary travels have taken him to every nation on earth. What is the key to effective leadership? The ability to organize and take charge. Study guide included **Making Jesus Lord** Loren Cunningham, 1997-09 The ultimate challenge Laying down rights is a concept foreign to our culture indeed foreign to the very nature of humankind. We live in a world in which the protection and exaltation of individual rights has become an obsession. As Christians we believe that personal rights do hold great value. Therefore we can perform no greater act of faith and worship than to consciously lay down these rights at the feet of the One who has gone before us Jesus himself. Drawing from his own life and those of Christians around the world Loren Cunningham details proven steps to a transformed life of freedom, joy and intimate fellowship with God. Making Jesus Lord demonstrates the dynamic power available to every person willing to embark on this faith adventure **The Revival Study Bible** William (Winkie) Pratney, Tamara S. Winslow, Steve Hill, 2010-08-12 The Revival Study Bible takes a close look at revivals that draw men to God's work in breathing new life into the Church. This unique Bible covers rich Christian history spanning over 2 000 years of God's acts that center around revival missions and evangelism. It also gives inspiring accounts of supernatural, miraculous and prevailing acts of the Lord. Emphasizing passion and action and not just data, this dynamic Bible gives an international flavor drawn from active, tested and fruitful ministries involved in ongoing awakening Friend Raising Betty Barnett, 2003 Many after having responded to God's call to missionary service have struggled unsuccessfully to raise and maintain support. Friend Raising is essential reading for anybody involved in missions. Strong godly relationships are the pillars of lasting support raising.
