The Person and Work of Christ - Ecclesiastes , Return to God Danson Enogiomwan Ubebe,2013-03-01 Return to

God is a rare resource for uncommon Bible knowledge. It is one book which clearly identifies the Gospel of Grace as different from the tradition under the Mosaic Covenant and yet strings them together without mixing them up. The book covers several areas of the Holy Bible that a great number of people shy away from. It is written to give glory to God not to man. In explaining the hidden biblical truth, the book debunks several commonly held views about tithing, fasting, seed sowing, who of the spirit, soul and body is the real man and more. It further clarifies what Jesus Christ meant by believe and who can be described as really born again. The book shows that man without Jesus Christ and this world are themselves darkness and that re-incarnation is a reality and not an eastern religion gimmick. The coverage by the book is huge and deep. In the end, a brief account of the evolution of Christianity is added. The book also shows that there is a connection between Jesus Christ and the Tree of Life. Return to God, which unearths several hidden meanings of the Holy Bible, teaching will appeal to those who are interested in religion and are seekers of God and the truth of the gospel of grace. Darkness Under Heaven F.J. Chase, 2009-05-01. Heroism is having to do something drastic to keep from getting killed. That's what security consultant Pete Avakian tells his dinner date Dr. Judy Rose on a night out in Beijing. Little does he know that his words are about to be illustrated in graphic detail. Just as they are getting to know each other, chaos erupts in the street. China has launched missiles at Taiwan, a long history of tension has given way to war. Suddenly, Pete and Judy are confronted by hostile youths and an act of self-defense puts them on the run from the authorities in a country crazed by war. Pursued by the Chinese police, the Americans race toward the Mongolian border. Their only chance of survival is to work together to escape a country gone mad even if that means taking drastic action. **The Person and Work of Jesus Christ and the Book of Ecclesiastes with the Hebrew Text and Parsing Guide**, **Word and Spirit** Anselm K. Min, Christoph Schwöbel, 2014-04-01. Christology and Pneumatology face many challenges today. Eight contributors, four European and four Asian theologians, respond to some of these challenges. Christoph Schwöbel responds to the challenge of fundamentalism and spiritualism through the renewal of the Trinitarian theology of the Reformers. Markus Mühling through a return to the concarnational Pneumatology of Thomas Erskine. Hans Joachim Sander meets the challenge of suffering and powerlessness through the postmodern hermeneutics of heterotopia. Foucault. Lieven Boeve responds to that of skepticism and pluralism through the hermeneutics of interruption. Lee Ki Sang and Kim Heup Young address the globalization of materialism and anthropocentrism through the respective retrieval of the apophaticism and Christology of Ryu Young Mo. increasingly noted today for his original synthesis of Christianity, Buddhism, Confucianism and Daoism. Finally, Lai Pan Chiu and Anselm Min engage in an East-West dialogue. Lai by comparing the Christian idea of deification and the Neo-Confucian idea of self-cultivation. Min the Trinity of Aquinas and the Triad of Zhu Xi. This is a substantial, timely and insightful contribution to Christology and Pneumatology in the context of the many issues raised by globalization, especially the need for serious East-West dialogue. **The Darkness Under the Water** Beth Kanell, 2008.
