Revisiting Paul's Doctrine of Justification Peter Stuhlmacher, 2012-05-25 Since 1963 substantial objections have been raised against the traditional view of the Pauline doctrine of justification mainly by New Testament scholars such as Krister Stendahl E P Sanders and James D G Dunn This book evaluates the New Perspective on Paul and finds it wanting With appreciation for the important critique already offered by Donald Hagner which is included in this volume Peter Stuhlmacher mounts a forthright and well supported challenge based on established and more recent scholarship concerning Paul's understanding of justification In particular he argues that the forensic and mystical elements of Paul's doctrine of justification should not be played off against one another Rather Paul's understanding can be faithfully rendered only within the context of his apostolic mission to Jews and Gentiles and the expectation of the coming kingdom of God This book will be of interest to students and teachers of biblical studies biblical theology and systematic theology and to those engaged in Jewish Christian dialogue Protestant Roman Catholic conversation about the doctrine of justification or discussions of rival views of justification within Protestantism

Introducing Biblical Theology Sigurd Grindheim, 2013-03-14 How do the different books of the Christian bible contribute to telling the story of God's salvation in Jesus Christ How can the diverse and sometimes confusing range of perspectives in the bible join together in one picture Sigurd Grindheim shows students how this picture can be seen as that of the Triune God the God who interacts God makes human beings who enjoy a peaceful relationship with him This relationship is broken because of sin but God continues to reach out to human beings through covenants Human failure to be faithful shows that God needs to intervene in a more direct way In his son Jesus Christ he comes to earth and brings reconciliation Grindheim draws on insights from scholarship and tradition to answer the major questions and presents them in a highly accessible form using examples revision questions and charts This book is written specifically for students at the start of courses in the Bible Theology and Ministry and for those searching for a deeper understanding of the theology of the Christian bible

Paul and his Theology Stanley E. Porter, 2006-11-01 Does Paul have a theology If so what is it or rather what is it on various topics that he and the early Church confronted This volume moves beyond the traditional discussion of whether Paul had a center to his theology to raise questions regarding his perspective on a number of important theological issues These issues include his gentile mission the concepts of faith grace and the law reconciliation the temple eschatology miracles gender and Paul's trinitarian tendencies This collection of essays addresses topics of current interest in the study of Paul's theology not to arrive at the center of his thought but to understand what factors helped to center his thinking on a variety of important theological concerns

Studies in the New Perspective on Paul Don

Garlington,2008-06-15 This collection of essays follows upon its predecessor originally entitled In Defense of the New Perspective on Paul Essays and Reviews Wipf and Stock 2005 This second edition differs from the first in that five new chapters have been added and one review article has been deleted The change of the main title to Studies in the New Perspective on Paul is due to the conviction that the New Perspective on Paul actually represents a return to the original context in which Paul proclaimed the gospel of Christ Therefore it is not something to be defended but propounded in the most positive terms possible

The Theology of Paul in Three Dimensions Richard H. Bell,2022-09-29 Paul of Tarsus the Pharisee who tried to destroy

the church of God experienced a conversion to faith in Jesus Christ that was to turn his life upside down and lead to his becoming one of the greatest missionaries and theologians of all time His theology is highly controversial and has both inspired and appalled his listeners Richard Bell presents the major themes in Paul s theology and also asks what he got right what he got wrong and what in his theology needs reinterpreting for the twenty first century The book thereby shows the ongoing relevance of Paul s thought for today To accompany this volume a website of music designed to add an experiential dimension in discovering Paul s message for the world can be found at richardhbell.co.uk **The Tax Collector and the Pharisee** Peter Tan-Gatue,2022-02-04 The idea of justification by faith is noticeably illustrated in narrative form in the parable of the tax collector and the Pharisee Luke 18 9 14 Did Luke the evangelist copy or import this idea from the apostle Paul Or is there a better likelihood that Luke derived the theme from the teachings of Jesus himself The answers to these questions have implications on the likely origin of this central Christian theme and the connection between Jesus and Paul In The Tax Collector and the Pharisee Peter Tan Gatue builds a plausible case that this notion of justification by faith comes from material sources that already exist in the Jesus tradition Through biblical exegesis critical use of authenticity criteria and contributions in ancient and current historical cultural studies this work challenges the idea that justification is a Pauline innovation and also affirms the intrinsic authenticity of the Lukan parable [Maccabean Martyr Traditions in Paul's Theology of Atonement](#) Jarvis J. Williams,2010-01-01 In an age in which scholars continue to produce books on the nature and significance of Jesus s death books that often assume the Old Testament cult was the New Testament authors primary background for their conception of Jesus s death Jarvis J Williams offers a fresh and novel contribution regarding both the nature of and background influences behind Paul s conception of Jesus s death He argues that Paul s conception of Jesus s death both as an atoning sacrifice and as a saving event for Jews and Gentiles was significantly influenced by Maccabean Martyr Theology To argue his thesis Williams engages in an intense exegesis of 2 and 4 Maccabees while also interacting with other Second Temple Jewish texts that are relevant to his thesis Williams further interacts with relevant Old Testament texts and the key texts in the Pauline corpus He argues that the authors of 2 and 4 Maccabees present the deaths of the Jewish martyrs during the reign of Antiochus Epiphanes IV as atoning sacrifices and as a saving event for Israel He further argues that although the Old Testament s cultic language certainly influenced Paul s understanding of Jesus s death at certain junctures in his letters the Old Testament cult alone which emphasized animal sacrifices cannot fully explain why or even how Paul could conceive of Jesus s death a human sacrifice as both an atoning sacrifice and a saving event for Jews and Gentiles Finally Williams highlights the lexical theological and conceptual parallels between Martyr Theology and Paul s conception of Jesus s death Even if scholars disagree with Williams s thesis or methodology serious Pauline scholars interested in the background influences behind and the nature and significance of Jesus s death in Paul s theology will want to interact with this work
