Christ Our Mediator Finding Passion At The Cross Lifechange S:

Christ our Mediator C. J. Mahaney, **Christ Our Mediator** C.J. Mahaney, 2011-10-12 WHAT S THE KEY TO HAVING MORE PASSION FOR CHRIST THE CROSS AND THE GOSPEL The answer is to look at the death of Christ not from our point of view but from God s That s what this book helps you do in a profound strategic and life changing way Author C J Mahaney exposes our human tendency to look at the Savior s death and at everything else through our own subjective feelings and impressions rather than from the standpoint of objective truth By nature we always begin with ourselves rather than with God But by following the God first Divine Order in how we think and by asking What do I believe instead of How do I feel we re freed up to embrace the right truth in the right way The right feelings quickly follow and they re reliable because they re anchored in truth The Secret to Sustaining Joy Do you desire more passion for Christ Then learn to see His death not from our point of view but from God s Author C J Mahaney puts you at our Savior s side and into His soul during the most emotionally wrenching moments of His final hours As you better understand the true nature of His struggle you ll grasp more than ever the staggering significance of why Jesus died and fully experience His sacrifice as a personal act of love for you Allow the deepest truths of Calvary to stir your passion for Christ our mediator into a flame that burns your whole life long Story Behind the Book There s nothing more overpowering than to climb Calvary s hill in childlike attentiveness and wonder with all our distractions and wrong assumptions cleared away This book was written that we might be gripped by gratitude and enflamed in passion for the Savior Christ our Mediator who suffered the Father s righteous wrath for us *Christ Our Mediator* Thomas Goodwin, 1971 *On the Passion of Christ* Thomas A' Kempis, Joseph N. Tylenda, 2010-09-13 A perfect complement to the movie *The Passion of The Christ* this book presents reflections that will enable the reader to focus deeply on the true meaning of the Passion In his famous spiritual classic *The Imitation of Christ* Thomas Kempis reminds the reader that in order to become a follower of Christ one must imitate his life and to accomplish this he adds Let it then be our main concern to meditate on the life of Jesus Christ It is impossible to imitate Christ without first knowing him and the best way of getting to know him is by meditating on his life as it is described in the four Gospels Thus in this wonderful meditation book perfect for Lent or any time of the year the great spiritual writer and monk gives profound short reflections on Gospel passages about the passion and death of Christ Each chapter focusing on a specific aspect of the Passion of Our Lord gives a prayer a meditation and spiritual advice and closes with another short prayer Very much in the same style as his *The Imitation of Christ* this book covers the entire Passion and makes great spiritual reading for anyone Illustrated **The Passion and the Cross** Ronald Rolheiser, 2020-03-04 Ronald Rolheiser one of the most influential spiritual writers of our day offers profound reflections on the central mystery of our Christian faith His beautifully written meditations on the passion and the cross invites you to a new understanding of redemption and offers insight into the meaning of your own loss and suffering Take a journey into the deeper meaning of pain with guidance from a trusted spiritual advisor The audio edition of

this book can be downloaded via Audible *Christ's Passion, Our Passions* Margaret Bullitt-Jonas, 2003-03-25 Margaret Bullitt Jonas not only takes us to the foot of the cross of Jesus she invites us to consider the breadth of Christ's healing saving love for us for those we love and for the whole creation Each reflection is followed by a series of prayer provoking questions designed to draw us deeper into the mystery of extravagant generosity **Reliving the Passion** Walter Wangerin Jr., 2010-06-01 No story has more significance than this the death and resurrection of Jesus But somehow the oft repeated tale of Christ's passion can become too familiar too formalized for us to experience its incredible immediacy The meditations in *Reliving the Passion* which received a Gold Medallion Award in 1993 follow the story as given in the gospel of Mark from the moment when the chief priests plot to kill Jesus to the Resurrection But these readings are more than a recounting of events they are an imaginary reenactment leading the reader to re experience the Passion or perhaps see it fully for the very first time As only a great storyteller can Walter Wangerin enables the reader to see the story from the inside to discover the strangeness and wonder of the events as they unfold It's like being there In vivid images and richly personal detail Wangerin helps us recognize our own faces on the streets of Jerusalem breathe the dark and heavy air of Golgotha and experience as Mary and Peter did the bewilderment the challenge and the ultimate revelation of knowing the man called Jesus The story gets personal for every reader writes Wangerin for this is indeed our story the story whereby we personally have been saved from such a death as Jesus died No there is not another tale in the world more meaningful than this here is where we all take our stands against sin and death and Satan upon this historical historic event I consider it a holy privilege to participate in it retelling Read this book slowly Read it with a seeing faith Walk the way with Jesus We his followers of later centuries do follow even now Read walk come sigh live Live Rise again *The Passion of Our Lord Jesus Christ* George R. Szewcs, Gabe Huck, 1999 These books show how several readers can proclaim the Passion well Rather than simply dividing the Passion into the parts this book allows the evangelist's understanding of the Passion to be heard and pondered You'll also find proclamation tips and suggestions for musical refrains acclamations and hymns The cover is suitable for use in the liturgy and the type and the use of sense lines allow for ease of proclamation The text of the English version is that of the revised U S lectionary The text of the Spanish version corresponds to the Mexican lectionary *The History of the Passion of Our Lord Jesus Christ, Explained and Applied to the Christian Life* James Groenings, 1919 *The Way of the Cross* Charles Armand Miller, 2018-01-17 Excerpt from *The Way of the Cross A Series of Meditations on the History of the Passion of Our Lord* That God our Father may give His Holy Spirit to quicken and enforce the truth of His Word so as to exalt and endear to those who use this little book His Son our Lord Jesus Christ in His passion this is the deepest prayer of him who sends it forth About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an
