Christianity In The Greco Roman World A Narrative Introduction:

Christianity in the Greco-Roman World Moyer V. Hubbard, 2010-01-01 Background becomes foreground in Moyer Hubbard's creative introduction to the social and historical setting for the letters of the Apostle Paul to churches in Asia Minor and Europe Hubbard begins each major section with a brief narrative featuring a fictional character in one of the great cities of that era Then he elaborates on various aspects of the cultural setting related to each particular vignette discussing the implications of those venues for understanding Paul's letters and applying their message to our lives today Addressing a wide array of cultural and traditional issues Hubbard discusses religion and superstition education philosophy and oratory urban society households and family life in the Greco Roman world This work is based on the premise that the better one understands the historical and social context in which the New Testament and Paul's letters was written the better one will understand the writings of the New Testament themselves Passages become clearer metaphors deciphered and images sharpened Teachers students and laypeople alike will appreciate Hubbard's unique illuminating and well researched approach to the world of the early church

In Stone and Story Bruce W. Longenecker, 2020-02-18 This beautifully designed full color textbook introduces the Roman background of the New Testament by immersing students in the life and culture of the thriving first century towns of Pompeii and Herculaneum which act as showpieces of the world into which the early Christian movement was spreading Bruce Longenecker a leading scholar of the ancient world of the New Testament discusses first century artifacts in relation to the life stories of people from the Roman world The book includes discussion questions maps and 175 color photographs Additional resources are available through Textbook eSources [Themelios, Volume 35, Issue 3](#) D. A. Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College

 Douglas S. Huffman, 2025-04-15 A unique introduction to the Acts of the Apostles focusing on the book of Acts as an extension of the Jesus story With full color photographs maps and sidebars about history ancient literature and archaeological finds Douglas Huffman takes readers through different introductory and interpretive issues in the study of Acts including the genre purpose history culture and geographical setting of the story Equipped with these behind the scenes details in broad strokes the author traces Luke's well told recounting of the ongoing story of Jesus Sensitive to the purposes Luke had for his text as well as its connection to the Gospel of Luke Huffman concludes by demonstrating how the Jesus story is intended to continue into the present Specifically designed as a textbook the volume includes chapter overviews and summaries discussion questions and assignments lists of key terms and a glossary *Africa's Social and Religious Quest*
 Randee Ijatuyi-Morphé, 2014-01-30 This well crafted book probes the key dimensions of Africa's existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa's social and religious quest Beyond split explanations of external versus internal factors e.g. colonization slavery vs. leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality politics and destinies vis-à-vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re-signifies life and wholeness as a true end of Africans quest today **Anatomy of the New Testament** Carl Clifton Black, This broadly adopted textbook weaves literary and historical approaches to focus on the New Testament's structure and meaning Anatomy of the New Testament is systematic critical and reliable in its scope and content This seventh edition has been revised throughout to take account of current trends in scholarship and to discuss important interpretative issues such as the Gospel of Thomas Each chapter includes two new features Have You Learned It offering questions for analysis and synthesis What Do They Mean presenting definitions of key terms to enhance student comprehension and critical thinking **Coherent Chiastic Oeuvre in the Unity of Luke-Acts** John M. Powell, 2025-06-20 This book expands on scholarly arguments that the Gospel of Luke and Acts of the Apostles was originally intended as a single unified work It offers fresh insights by addressing overlooked perspectives and further exploring the literary theological and historical connections between the two volumes Central to this study is the argument that the ascension narratives at the end of Luke and the beginning of Acts form a chiastic structure uniting and conjoining both volumes Rather than redefining Luke Acts as First and Second Luke this study affirms their distinct literary genres Luke's Gospel rightly

belongs among the canonical Gospels and Acts bridges the Gospels with the Epistles acting similar to a historical narrative It does not seek to alter their canonical separation but asserts that Luke deliberately composed them as a continuous interdependent account By examining how this pivotal event structures the text it provides compelling evidence of Luke s intentional design demonstrating that the ascension is the hinge that seamlessly connects both volumes The Baker Illustrated Bible Background Commentary J. Scott Duvall,J. Daniel Hays,2020-08-04 We are far removed from the time and culture of the biblical world and this distance easily leads to misunderstanding and misinterpretation Our understanding and appreciation for God s Word increase exponentially when we know about the context in which the biblical books were written So while many Bible commentaries explain the theological meaning of the text The Baker Illustrated Bible Background Commentary provides fascinating cultural and historical insights into God s Word Richly illustrated with full color photos throughout this one volume background commentary includes articles by leading Old and New Testament scholars on subjects such as countries cities and cultures of the Holy Land and the Greco Roman world warfare and execution religious groups and customs fashion athletics feasts and celebrations honor shame and hospitality and much more This colorful informative volume is an essential companion for pastors teachers and laypeople who want to enhance their personal Bible study and help others do the same

Anatomy of the New Testament Robert A. Spivey,D. Moody Smith, Jr.,C. Clifton Black,2013-10-01 This broadly adopted textbook weds literary and historical approaches to focus on the New Testaments structure and meaning Anatomy of the New Testament is systematic critical and reliable in its scope and content This seventh edition has been revised throughout to take account of current trends in scholarship and to discuss important interpretative issues such as the Gospel of Thomas Each chapter includes two new features Have You Learned It offering questions for analysis and synthesis What Do They Mean presenting definitions of key terms to enhance student comprehension and critical thinking

Cultural Contextualization of Apologetics Matt W. Lee,2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul s cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul s world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics

communication that is both biblical and practical
