Christian Initiation: Baptism in the Medieval West John D. Fisher, 1970 *Christian Initiation* J. D. C. Fisher, 2005 This book is a sequel to *Christian Initiation Baptism in the Medieval West* and the second in the Hillenbrand Books series of J D C Fisher's historical treatments of the sacraments of initiation This reissue of Fisher's classic study of the sacramental rite of confirmation examines what the early rite of confirmation consisted of and what grace it was believed to confer in the period when there is undisputed evidence of the rite's existence Like the earlier work *Christian Initiation Baptism in the Medieval West* Chicago Mundelein Hillenbrand Books 2004 *Christian Initiation Confirmation Then and Now* moves from early non biblical evidence through a survey of African European and Near Eastern regions in the third and fourth centuries before exploring the emergence of the ritual called confirmation in fourth and fifth century Gaul Book jacket *Bound Together* Shawn O. Strout, 2024-12-10 An exploration and an affirmation of the connection between the Church's sacraments of initiation Inviting the unbaptized to participate in the Eucharist has become an increasingly common practice in churches as Christian communities explore ways to use the sacraments as an expression of openness and service In this volume sacramental theologian Shawn Strout reconsiders this trend Arguing from church history sacramental theology and liturgical practice Strout shows how baptism and the Eucharist form an indissoluble bond that is central to Christian initiation and community The book's conclusion turns to pastoral considerations and ecumenical relationships showing the significance of the traditional ordo of baptism and Eucharist for the church An important text for clergy scholars and church leaders *Bound Together Baptism Eucharist and the Church* offers important reflections on an issue of pressing concern **Christian Ritualizing and the Baptismal Process** Susan Marie Smith, 2011-11-15 Most people even non Christians know that Christians gather for worship once a week and that they are right there to support each other when there is a baptism or a wedding or a funeral But what about other poignant vulnerable or life changing times How does the church help people handle changes that in the past in Christendom were considered secular Does the church have a role at retirement when one's ministry changes or when a family's children leave home and familiar patterns seem to grind to a halt Is there any rite possible for someone who is called to Christian ministry but not to ordination Or to someone whose vows are broken in

divorce Christian Ritualizing and the Baptismal Process asserts that baptism marks the beginning of a process of participation in Christ's ministry so that no part of life can finally be considered secular Susan Marie Smith shows how every passage healing and ministry vocation is holy and she lays the groundwork needed for every church to create the rituals necessary to lament and celebrate the endings and beginnings that happen in every Christian life **Shepherding Souls**

Shawn O. Strout, 2024-07-16 A complete resource for the theology liturgy and practice of the pastoral offices This easy to use resource for clergy and lay liturgical leaders examines baptism confirmation marriage reconciliation of the penitent ministration to the sick and burial offering background and guidance for each liturgy Each chapter begins with brief historical and theological contexts followed by a discussion of pastoral and liturgical issues relevant to each rite Because cultural considerations are often central to the pastoral offices each chapter includes an overview of cultural practices surrounding each liturgy that may be unfamiliar to clergy Taking into account theological and liturgical perspectives from a variety of denominations Shepherding Souls is designed to be useful in any church This trusted resource provides the busy church leader with everything needed to prepare for and administer pastoral offices
