Call Back Corner:

Call Back Denise Grover Swank, 2017-02-28 The third book in the five book USA Today bestselling Magnolia Steele Mystery series When Magnolia Steele started digging into her father's disappearance she had no idea she'd find so much dirt. The secrets she unearthed have changed the official story of what happened to him. Everyone other than her now believes that he embezzled from a client with the help of several accomplices, one of whom got greedy and killed the rest, but Magnolia's convinced there's more to it. She finds plenty of conflicting evidence including startling links between several recent deaths and her father's past. As if she didn't have worries enough, someone has hidden cameras in her apartment and the stalker who's been tormenting her amps up his campaign. She wants to trust someone with her secrets, but who? The police are out there, someone crooked on the force, and she has reason to believe it's her maybe boyfriend's best friend, and even the people closest to her are suspects. Her sister-in-law and her sinfully attractive friend Colt both have agendas of their own, her mother is as tight-lipped as a vault, and in addition to having shady connections, her policeman suitor has a troubling secret. Before she gets very far in her investigation, a murderer strikes again in Franklin, and this time the victim is someone she knows. The message is clear: step back and keep quiet, but to Magnolia Steele it's a call to action. [Call Backs](#)

Iris Blaire, A gorgeous boyfriend, a ticket into Harvard, and a healthy savings account, my life was close to perfect. Of course, perfect doesn't last long for smart girls with busy schedules and wickedly sinful careers. Now that East Park Exposed is national, the new owner wants me to model for him so badly that his entire team is following me out to Cambridge while I'm in grad school. Britain, my BFF, and EPE's photographer will be there. So will the rest of the models. Well, most of the models. The only one missing will be Dallas. He'll be in Costa Rica for school, but the distance isn't the only thing separating us. Not after we called it quits. The thing is, I'm not expecting him to give up everything just to win me back. **The Callback**

Brandy L Rivers, 2017-11-07 Actors are always waiting for the callback. Leona Shay isn't looking for love. Having just gone through a divorce from her high school sweetheart, her world is in upheaval. And things are about to get even crazier after selling the movie rights to her series. Rising movie star Luke Chance could have anyone he wants, but he wants an author who may not be ready for him or anything that comes with being with him. Luke wants a role in the movie. Leona can't see him as the lead, not that she has a say in the cast. Their first encounter may be rocky, but he's not going to let her slip away. Trust doesn't come easy for Leona. Tabloids and distance may send her running. How far is Luke willing to chase? **The Corner**

David Simon, Edward Burns, 2013-03-13 The crime-infested intersection of West Fayette and Monroe Streets is well known and cautiously avoided by most of Baltimore. But this notorious corner's 24-hour open-air drug market provides the economic fuel for a dying neighborhood. David Simon, an award-winning author and crime reporter, and Edward Burns, a 20-year veteran of the urban drug war, tell the chilling story of this desolate crossroad. Through the eyes of one broken family, two drug-addicted adults, and their smart, vulnerable 15-year-old son, DeAndre McCollough, Simon and Burns examine the sinister realities of inner cities.
