Communication Matters Second Edition Kory Floyd:

Loose Leaf for Communication Matters Kory Floyd, 2021-01-04 With a research based skills focused approach to the Introduction to Communication course *Communication Matters* debunks the often held belief that good communication is based on personal instincts Taking research and relevance a step further *Communication Matters* helps students think critically about the communication they take part in every day **Communication Matters** Kory Floyd, 2011

Communication Matters helps students move beyond an intuitive appreciation of communication to explore core principles of the discipline By helping students take personal responsibility for their communication behaviors by encouraging critical reflection and by actively applying the key concepts to diverse contemporary challenges the program fosters an understanding of the many important ways communication matters in daily life **Exploring Communication Theory**

Kory Floyd, Paul Schrodt, Larry A. Erbert, Kristina M. Scharp, 2022-06-13 Continuing its engaging and readable approach this second edition presents an overview of the major theories within the discipline of communication studies inclusive of the three major paradigms of social scientific interpretive and critical Each member of the author team writes from his or her area of expertise giving readers further insight into how the theory is applied to research within communication studies With extensive pedagogical features the text underscores key concepts and links them to students own communication studies scholarship and everyday lives Key updates for this edition include updated examples and discussions around theories to give students a deeper understanding explorations of Black Lives Matter and intersectionality and new pedagogical features in line with Bloom s taxonomy This book is ideal as a core text for undergraduate courses in communication theory Online resources also accompany the text an instructor manual test bank lecture slides and author introduction videos Please visit www.routledge.com/9781032015194 to access the materials **Loose Leaf Communication Matters** Kory

Floyd, 2013-09-09 *Communication Matters* Because great communicators are made not born Through *Communication Matters* highly interactive program students learn that our instincts aren t as good as we think they are and develop the skills needed to become effective communicators The program prompts students to question their assumptions helps them to move beyond their personal daily communication experiences and challenges them to think critically about why and how they communicate in the ways they do Connect for *Communication Matters* Second Edition reflects our increasingly diverse interactive and digital world by using hands on features Through an interactive eBook a suite of student videos for public speaking and dynamic online activities students are urged to consider which choices are likely to be effective and which less so LearnSmart McGraw Hill s adaptive learning system assesses students knowledge of course content and maps out personalized study plans for success The result Students are able to internalize core communication principles adapt their communication behavior more effectively and actively apply those strategies to all aspects of their lives *Public Speaking Matters* Kory Floyd, 2022 The aim of this book public speaking matters 3e is to teach people how to speak confidently and

ethically in today's digital world Communicating with Our Families Jill K. Burk, Maryl R. McGinley, Joel S. Ward, 2022-07-12 *Communicating with Our Families* Continuity Interruption and Transformation examines how communication technologies are shaping childhood parenthood and families by exploring topics such as parental loneliness family storytelling family technology rules mindful technology usage multigenerational communication and community The scholars in this volume work from a human communication perspective and use various research modes of inquiry including quantitative qualitative and interpretive methods Perhaps the most significant question implied by our contributors in this volume is whether the introduction of new communication technologies will fundamentally alter familial forms and if those new groupings that emerge will resemble what has been generally assumed for several millennia *Communication in a Civil Society* Shelley D. Lane, Ruth Anne Abigail, John Gooch, 2016-04-28 *Uncivil acts and messages too often color our experience with others Communication in a Civil Society offers an alternative way to teach and learn about communication Every chapter focuses on communication based on respect restraint and ethical choices The Handbook of Communication Science and Biology* Kory Floyd, René Weber, 2020-05-07 *The Handbook of Communication Science and Biology* charts the state of the art in the field describing relevant areas of communication studies where a biological approach has been successfully applied The book synthesizes theoretical and empirical development in this area thus far and proposes a roadmap for future research As the biological approach to understanding communication has grown one challenge has been the separate evolution of research focused on media use and effects and research focused on interpersonal and organizational communication often with little intellectual conversation between the two areas *The Handbook of Communication Science and Biology* is the only book to bridge the gap between media studies and human communication spurring new work in both areas of focus With contributions from the field's foremost scholars around the globe this unique book serves as a seminal resource for the training of the current and next generation of communication scientists and will be of particular interest to media and psychology scholars as well Race and the Senses Christopher Brown, Sachi Sekimoto, 2020-06-08 In *Race and the Senses* Sachi Sekimoto and Christopher Brown explore the sensorial and phenomenological materiality of race as it is felt and sensed by the racialized subjects Situating the lived body as an active affective and sensing participant in racialized realities they argue that race is not simply marked on our bodies but rather felt and registered through our senses They illuminate the sensorial landscape of racialized world by combining the scholarship in sensory studies phenomenology and intercultural communication Each chapter elaborates on the felt bodily sensations of race racism and racialization that illuminate how somatic labor plays a significant role in the construction of racialized relations of sensing Their thought provoking theorizing about the relationship between race and the senses include race as a sensory assemblage the phenomenology of the racialized face and tongue kinesthetic feelings of blackness as well as the possibility of cross racial empathy Race is not merely socially constructed but multisensorially assembled engaged and

experienced Grounded in the authors experiences one as a Japanese woman living in the USA and the other as an African American man from Chicago Race and the Senses is a book about how we feel the racialized world into being *Films as Rhetorical Texts* Janice D. Hamlet, 2019-11-13 *Films as Rhetorical Texts* Cultivating Discussion about Race Racism and Race Relations presents critical essays focusing on select commercial films and what they can teach us about race racism and race relations in America The films in this volume are critically assessed as rhetorical texts using various aspects and components of critical race theory recognizing that race and racism are intricately ingrained in American society Contributors argue that by viewing and evaluating culture centered films often centered around race and critically analyzing them faculty and students can promote the opportunity for genuine open discussions about race racism and race relations in the United States specifically in the higher education classroom Scholars of film studies media studies race studies and education will find this book particularly useful
