Reading Comprehension Strategies Danielle S. McNamara, 2007 First Published in 2007 Routledge is an imprint of Taylor Francis an informa company

Rigor by Design, Not Chance Karin Hess, 2023-01-18 A practical and systematic approach to deepening student engagement promoting a growth mindset and building a classroom culture that truly supports thinking and learning Every student deserves access to deep and rigorous learning Still some persistent myths about rigor can get in the way such as the belief that it means more or harder work for everyone rather than challenging and advancing students thinking So how can teachers get more clarity on rigor and foster more meaningful learning in their classrooms In *Rigor by Design Not Chance* veteran educator Karin Hess offers not only a clear vision of what makes learning deep and rigorous but also a systematic and equitable approach for engaging students of all ages in rich learning tasks To that end she outlines five essential teacher moves that foster thinking and learning

- 1 Ask a series of probing questions of increasing complexity
- 2 Build schemas in each content area
- 3 Consider ways to strategically scaffold learning
- 4 Design complex tasks that emphasize transfer and evidence based solutions
- 5 Engage students in metacognition and reflection throughout the learning process

From there Hess details how to create an actionable assessment cycle that will drive learning forward in any classroom This book offers a treasure trove of strategies student look for behaviors and templates to guide teachers in their work as well as an array of rich performance based assessments to engage and challenge students School leaders and instructional coaches can also benefit from the variety of teacher friendly supports to foster rigorous learning in their schools Ultimately *Rigor by Design Not Chance* helps educators empower students to take greater ownership of their own learning

Raising Up Readers Jennifer Throndsen, 2025-06-02 In this practical guide educators learn 25 ready to use research based teaching strategies aligned to the science of reading to scaffold learning from grade level texts for a range of readers to accelerate literacy achievement These strategies can be used in whole or small group instruction before during and after reading to increase each student s opportunity to grow Grades K 5 teachers instructional coaches and reading specialists can use this book to Plan effective scaffolds for grade level texts that challenge students and encourage growth Employ a versatile array of strategies to promote active engagement with literacy Provide engaging research based strategies that increase student learning and comprehension Readily adapt strategies to meet both individual and classwide challenges and needs Ensure all students achieve the established literacy standards for their grade level
