

The Iroquois Constitution

- Linked five Native American nations – the Mohawk, Oneida, Onondaga, Cayuga and Seneca – located in and around present-day New York.
- Key principles include:
 - Respect for each other's tribes and its members
 - Respect for Nature
 - Honesty, justness and a calm spirit

Constitution Iroquois Nations

Anonymous

Constitution Iroquois Nations:

The Iroquois Constitution Anonymous,2019-12-07 Among the Haudenosaunee the Six Nations comprising the Mohawk Onondaga Oneida Cayuga Seneca and Tuscarora peoples the Great Law of Peace is the oral constitution of the Iroquois Confederacy The law was written on wampum belts conceived by Dekanawidah known as the Great Peacemaker and his spokesman Hiawatha The original five member nations ratified this constitution near modern day Victor New York with the sixth nation the Tuscarora being added in 1722 The laws were first recorded and transmitted not in written language but by means of wampum symbols that conveyed meaning In a later era it was translated into English and various other accounts exist The Great Law of Peace is presented as part of a narrative noting laws and ceremonies to be performed at prescribed times The laws called a constitution are divided into 117 articles The united Iroquois nations are symbolized by an eastern white pine tree called the Tree of Peace Each nation or tribe plays a delineated role in the conduct of government Attempts to date the founding of the Iroquois Confederacy have focused on a reported solar eclipse which many scholars identify as the one that occurred in 1451 AD though some debate exists with support for 1190 *Constitution of the Iroquois Nations* Anonymous,2015-12-01 The Iroquois also known as the Haudenosaunee or the People of the Longhouse are an association of several tribes of Native Americans in North America After the Iroquoian speaking peoples coalesced as distinct tribes based mostly in present day central and upstate New York in the 16th century or earlier they came together in an association known today as the Iroquois League or the League of Peace and Power The original Iroquois League was often known as the Five Nations as it was composed of the Mohawk Oneida Onondaga Cayuga and Seneca nations After the Tuscarora nation joined the League in 1722 the Iroquois became known as the Six Nations Some 20th century historians have debated whether the Iroquois system of government had any influence on the United States development of the Articles of Confederation and Constitution In 1988 Congress passed a resolution to recognize the influence of the Iroquois League upon the Constitution and Bill of Rights Indeed it is easy to find similarities between the two constitutions The Iroquois constitution called the Great Law of Peace guaranteed freedom of religion and expression and other rights later embraced in the U S Constitution According to the Iroquois constitution states were first to solve disputes between them on their own If resolution efforts failed then the national government would take authority The Great Law even said the national government should have a commander in chief and that person should present a state of the union address to the nation

Understanding the Iroquois Constitution James Wolfe,Heather Moehn,2015-07-15 The Iroquois Constitution was created in the late sixteenth century to bring peace and unity to five and later six warring Iroquois nations But how was this understanding reached What were its specific conditions And did it affect later political documents in the United States Read about the legacy of the Iroquois Constitution and how its influence can still be felt today **The Constitution of the Five Nations** Arthur Caswell Parker,1916 **The Iroquois Constitution** Lesli J. Favor,2003 A discussion of the constitution of

the Iroquois Confederacy and the influence of this constitution and its values on the political ideas of the United States

The Constitution of the Iroquois Nations Anonymous, Kessinger Publishing, LLC, 2004-06-01 All the business of the Five Nations Confederate Council shall be conducted by the two combined bodies of Confederate Lords First the question shall be passed upon by the Mohawk and Seneca Lords then it shall be discussed and passed by the Oneida and Cayuga Lords Their decisions shall then be referred to the Onondaga Lords Fire Keepers for final judgement **The Constitution of the Iroquois Nations**, 2006 The constitution also known as the Great Law was a legal document for the Iroquois Confederacy **The Constitution of the Five Nations** Arthur Caswell Parker, 1916 *The Constitution of the Five Great Nations Or the Iroquois Book of the Great Law* Arthur C. Parker, 2008-12 PREFACE THE Author of this very practical treatise on Scotch Loch Fishing desires clearly that it may be of use to all who had it He does not pretend to have written anything new but to have attempted to put what he has to say in as readable a form as possible Everything in the way of the history and habits of fish has been studiously avoided and technicalities have been used as sparingly as possible The writing of this book has afforded him pleasure in his leisure moments and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general This section is interleaved with blank sheets for the readers notes The Author need hardly say that any suggestions addressed to the case of the publishers will meet with consideration in a future edition We do not pretend to write or enlarge upon a new subject Much has been said and written and well said and written too on the art of fishing but loch fishing has been rather looked upon as a second rate performance and to dispel this idea is one of the objects for which this present treatise has been written Far be it from us to say anything against fishing lawfully practised in any form but many pent up in our large towns will bear us out when we say that on the whole a days loch fishing is the most convenient One great matter is that the loch fisher is dependent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best A common belief in regard to loch fishing is that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may

consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing

Constitution of the Iroquois Nations: The Great Binding Law, Gayanashagowa , The University of Kansas presents the full text of the Constitution of the Iroquois The constitution also known as the Great Law was a legal document for the Iroquois Confederacy
