The FIDIC Conditions of Contract and Domestic Construction Law Franco Ferrari,Friedrich

Rosenfeld,2025-09-30 Parties to an international construction contract often use the standardized set of contract terms published by the International Federation of Consulting Engineers known as the FIDIC Conditions However FIDIC terms apply within the boundaries of domestic law which not only governs the formation interpretation and validity of FIDIC contracts but also fills gaps and shapes the expectations of the respective parties or decision makers in disputes Thus it is of great importance that parties and their counsel are thoroughly informed of how the applicable law applies to the contract a matter comprehensively covered in this country by country description and analysis of applicable law Seeking to mitigate the risk of disputes and detailing how to proceed when a dispute arises and with abundant reference to case law contributions by leading practitioners and academics in each country examine such issues and topics as the following cultural and legal differences between business actors how domestic law determines the formation interpretation and validity of FIDIC contracts how domestic law can be used to fill gaps and complement the FIDIC Conditions drafting particular conditions of contract A strong understanding of how FIDIC terms interact with domestic law helps parties assess their obligations during the contract s performance and resolve disputes globally Accordingly this systematic analysis of the interplay between the FIDIC Conditions and domestic construction law in numerous jurisdictions worldwide will prove of immeasurable value to international construction firms in house counsel and construction law professionals

Forthcoming Books Rose

Army,2001-06 *Hong Kong Legal Principles* Stephen D. Mau,2013-02-01 While there are publications on specific legal fields no recent book includes several core legal subjects presented in a general manner Resulting from this need for an updated work on the general principles of law in Hong Kong for use by non law students and nonlegal professionals the first edition of this book was published in 2006 After three printings the latest in 2010 a new edition became necessary to reflect accurately the changes in the law since the first publication Intended as a practical general guide to the more common legal principles as they relate to Hong Kong contract tort employment and property the second edition should assist the reader in

understanding and anticipating legal issues that might arise in commercial or daily personal situations Therefore the second edition of this book has been updated to reflect recent court decisions and revisions to Hong Kong ordinances and has been reorganized to render the book more user friendly Global Contract Law in the Middle East and North Africa Mohamed Ismail, 2024-08-01 This book comprehensively covers the interplay between cultural and legal globalization and the impact this has on contract law with a particular focus on state contracts within the MENA region The book discusses the roles assumed by Supreme Courts in Egypt and MENA countries in creating unified principles of international contract law in states contracts which are consistent with international commercial contracts principles It makes a powerful argument for further harmonization of contract law in the area and how this can be achieved The book forms a case study of how international harmonization can be achieved through a number of routes such as codification digitalization of processes and contracts private public arbitration and further use of international instruments It also considers the implications of comparative European law convention law and other legal domains particularly international standards on contract law in the MENA region The book suggests how international legal standards can be integrated within contract law and how a harmonious contract law framework can thus be achieved Through analyzing ICSID case law the book argues that unification of contract law principles in the MENA region is a considerable step towards achieving legitimate expectations of foreign investors It argues further that global contract law is underway The book will be of interest to students and scholars in the field of international contract law public law and international law in Egypt and MENA countries American Book Publishing Record ,2003
