Coleridge Biographia Literaria Chapter 13:

Literary Theory and Criticism Patricia Waugh, 2006 This volume offers a comprehensive account of modern literary criticism presenting the field as part of an ongoing historical and intellectual tradition Featuring thirty nine specially commissioned chapters from an international team of esteemed contributors it fills a large gap in the market by combining the accessibility of single authored selections with a wide range of critical perspectives The volume is divided into four parts Part One covers the key philosophical and aesthetic origins of literary theory while Part Two discusses the foundational movements and thinkers in the first half of the twentieth century Part Three offers introductory overviews of the most important movements and thinkers in modern literary theory and Part Four looks at emergent trends and future directions

The Nature of Aesthetic Value Hugo Anthony Meynell, 1986-01-01 The Nature of Aesthetic Value proposes that aesthetic goodness the property in virtue of which works of art are valuable is a matter of their capacity in appropriate circumstances to give satisfaction It inquires into the nature of this satisfaction arguing that it consists of the extension and clarification of consciousness This provides a basis for treatment of the ancient problem of the relation between cultivation of the arts and the pursuit and maintenance of the true and the good The book summarizes critics judgments and arguments on literature the visual arts and music testing the author's theory about the nature of aesthetic opinion *Coleridge and Newman* Philip C. Rule, 2004 By examining Samuel Taylor Coleridge's and John Henry Newman's parallel approaches to the central question of Christian apologetics the existence of God Coleridge and Newman The Centrality of Conscience documents more fully than ever before the extent of Coleridge's influence on Newman Both men sought to develop an argument for God's existence by understanding conscience as the moral self awareness that makes us human The study provides fresh readings of three texts by Coleridge and three by Newman The result of these comparative readings is a rhetoric that both informs and invites the reader to personal reflection **On Poetry and Philosophy** Brayton

Polka, 2021-11-04 Brayton Polka's book On Poetry and Philosophy Thinking Metaphorically with Wordsworth and Kant is unique in bringing poetry and philosophy together in a single study The poet and the philosopher whom he makes central to his project are both revolutionary founders of modernity Wordsworth of romantic poetry and Kant of critical philosophy Both the poet and the philosopher as the author makes clear in his study found their principles at once poetically metaphorical and philosophically critical on the religious values that are central to the Bible that all human beings are equal before God

Geoffrey Hill's later work Alex Wylie, 2019-09-12 An exploration of the later work of Geoffrey Hill often described as the greatest living poet in his lifetime This book reads interprets evaluates and sets in context the work of Hill's prolific later period from 1996 to 2016 the year of his death *Coleridge, Biographia Literaria, Chapters, I-IV, XIV-XXII.* Samuel Taylor Coleridge, 1920 *The Cambridge Companion to Coleridge* Lucy Newlyn, 2002-10-24 Samuel Taylor Coleridge is one of the most influential as well as one of the most enigmatic of all Romantic figures The possessor of a precocious talent he dazzled

contemporaries with his poetry journalism philosophy and oratory without ever quite living up to his early promise or overcoming problems of dependence and drug addiction The Cambridge Companion to Coleridge does full justice to the many facets of Coleridge's life and work Specially commissioned essays focus on his major poems including The Rime of the Ancient Mariner and Christabel his notebooks and his major work of non fiction the Biographia Literaria Attention is given to his role as talker journalist critic and philosopher his politics his religion and his reputation in his own times and afterwards A chronology and guides to further reading complete the volume making this an indispensable guide to Coleridge and his work

Theology for Non-Theologians James Cantelon, 2009-12-09 How can I know God exists Are there different gods Are there religions that don't have a god at all What does God mean to me in everyday life Throughout his 40 year ministry James Cantelon has fielded questions like these about the nature of God and the relationship between God and believers and non believers alike They are deep and good questions and to help people understand God he felt compelled to write a book that discusses theology in a step by step and accessible way Here is theology as you have seldom seen it warm informal even humorous but always respectful and above all true to the Holy Scripture In Theology for Non Theologians Cantelon concentrates on God and His word the nature existence and works of God and God's revelation of himself in the Bible James Cantelon has accomplished the near impossible making theology engaging understandable and important in modern day life

Romanticism and Contemporary Criticism Morris Eaves, Michael R. Fischer, 2019-01-24 The core of this book is made up of five essays by distinguished scholars of international reputation that treat the relation between current literary theory and Romanticism The book originated in a series of lectures presented at the University of New Mexico in 1983 All but one of the essays are published here for the first time The contributors are Northrop Frye W J T Mitchell J Hillis Miller M H Abrams and Stanley Cavell Frye's essay is a major statement on the backgrounds of Romanticism W J T Mitchell's contribution takes up through the composite arts of William Blake the relation of poetry and painting writing and printing criticism and politics The controversy over deconstruction is the occasion for a matched pair of essays by J Hillis Miller and M H Abrams advocate and antagonist respectively In his essay Abrams makes a definitive statement on his view of deconstruction and its intellectual heritage The fifth piece by Stanley Cavell is the first extended discussion of English and American Romanticism by this major contemporary philosopher Following each essay is an edited transcript of a question and answer session in which the contributor critic ranges widely and freely over today's critical scene The sessions make fascinating reading This book should be of compelling interest to students of Romanticism as well as to students and scholars interested in the uses and implications of poststructuralist theory

Keats and Shelley Kelvin Everest, 2021-12-16 Keats and Shelley Winds of Light combines unrivalled textual knowledge biographical and contextual expertise and profoundly insightful close readings of the poetry in a selection of outstanding essays from a leading

critic of English Romantic Poetry Some of the essays have been previously published and are established as classic studies which have strongly influenced scholarly interpretation of the poems they discuss including landmark readings of Shelley's Prometheus Unbound, Julian and Maddalo and Ozymandias and Keats's Isabella or the Pot of Basil and his sonnet On First Looking into Chapman's Homer These are brought into relationship with new work on the two poets in a wide ranging set of meditations which centre on Shelley's great elegy for Keats Adonais An introductory chapter considers the strongly contrasting poetic styles and achievement of the two iconic young Romantics a contrast which has been obscured by their conventional close pairing in popular culture Five studies of Keats are followed by a pivotal account of Shelley's elaborately wrought poetic tribute to Keats's destined greatness which leads in to a balancing six studies of Shelley Both poets are situated illuminatingly in their literary personal and social historical milieu through a series of perspectives which combine lucid particularity with powerful generalization The essays move from detailed analysis of textual minutiae to deep reflection on fundamental themes in the work of Keats and Shelley including the ultimate themes of transience and permanence and of life death and immortality
