By Grace Alone Derek Prince, 2013-06-01 A life transforming exploration of what grace truly is and how through it we can find freedom from the tyranny of legalism and the law What About Me? Joyce Meyer, 2024-09-10 Experience the true satisfaction and power of living unselfishly with 1 New York Times bestselling author and renowned Bible teacher Joyce Meyer As we go about our daily lives there is a little voice in our minds that s always asking What about me Maybe your voice says When is it my turn to be noticed at work or When will someone in this family do something for me That voice may be whispering to you about your finances your job or your friends but it is always encouraging you to think about something you don t have And sadly social media and culture in general lead us to focus on this world s concept of happiness and success but does it work Could you be sabotaging your own joy your purpose your success What could you do to get out of your own way And most importantly what is God s definition of success The Bible tells us over and over that the true source of meaning and happiness is a life focused on God and on serving others Instead of asking when it will be our turn to get a raise be recognized or finally make it big it s time to discover the source of true and lasting of happiness and satisfaction By walking in this path we will have more joy and a closer relationship with God than we could ever imagine A study guide as well as a Spanish edition *Y que hay de mi* are also available for purchase *Apostles of Righteousness in the Marketplace* Okey Enelamah, 2014-08-07 Is it possible to live right without losing out Is it possible to be upright and succeed at the same time in the business world Can we be people of integrity in a world of commerce that is full of corruption and compromise Can anyone succeed in Nigeria s compromised marketplace without being corrupt Can we be righteous in the marketplace Okey E Enelamah tackles these questions head on in this incredibly important book for anyone involved in business education government politics and every other sphere in today s challenging marketplace In *Apostles of Righteousness in the Marketplace* the author emphasizes the point that righteousness and prosperity can go hand in hand in the marketplace contrary to popular notions **Following the Footsteps of Rabbi Jesus into the Courts of Heaven** Dr. Francis

Myles, 2023-07-04 Experience Miraculous Answers to Every Prayer Are your prayers for breakthrough met with silence Do you pray the right way only to wonder if your prayers are even being heard Too often we approach prayer as a formula failing to understand that the Courts of Heaven are a dimension in the Spirit where unanswered prayers are answered Trained
