

CUPS AND BALLS

EFFECT—Three little balls mysteriously penetrate through solid plastic cups at the will of the magician. — A convincing demonstration, of solid through solid.

SECRET—The secret of this trick is based on the fact that an extra ball is used. (There are four balls instead of only THREE seen by your audience.) There is also one "cover" which is extremely plain and can be learned in a few minutes. This "move" will be described in the presentation of the trick.

PREPARATION—Before demonstrating trick, place one cup mouth up on the table. Drop one of the four balls in the cup. Drop the other two cups into the cup on table. (Fig. 1.) This completes the preparation.

PRESENTATION—1.—Pick up the three nested cups and hold them in left hand, mouth up as in Fig. 2.

2.—Remove uppermost cup with right hand, top toward audience to show cup empty. Also show two nested cups in left hand. — (Fig. 3.)

3.—Place cup in right hand, mouth down, on the table. Now, with the right hand remove the bottom cup of the two nested cups. (This cup contains the extra ball.) As soon as this cup is removed, with a continuous motion turn the cup over and place it mouth down on the table. (Fig. 4.) — At this move is properly and swiftly performed, the ball in the cup will not be seen and will end up under the cup, unknown to the audience.

4.—The remaining cup in the left hand is now placed mouth down beside the cup with the ball under it. The cup with the ball under it should be in the center.

5.—You now show one of the 3 little balls, and place it in the depression on top of the center cup, cups and say "Pass." You then lift up the three nested cups together and show the ball underneath. The audience believes this to be the ball you placed on top of the cup.

6.—You again hold the cups as in Fig. 2. In this case, however, the nested ball is in the uppermost two cups.

7.—You now remove the top cup and the two nested cups as shown in Fig. 3. The ball is now under the top cup.

8.—You repeat move 3. The ball is now under the nested ball in it cup.

9.—You repeat the move 3. The ball is now under the nested ball in it cup.

10.—At the conclusion of the trick, the audience will see three balls have penetrated the cups. In your pocket is got rid of the fourth ball.
