De Volmaakte Ridder Tirant Lo Blanc:

Tirant Lo Blanc Joanot Martorell, 2013-09-04 Translated by David H Rosenthal Here is a recovered Renaissance classic a Catalan novel of chivalry done into English for the first time by a gifted poet and translator Cervantes singles out Tirant lo Blanc for very special praise in Don Quixote in the scene in which the don's friends eager to save his sanity are making a bonfire of the romances of chivalry which have constituted his sole intellectual and spiritual nourishments Cervantes makes a pointed exception of this work putting into the mouth of a character the suggestion that the book deserves to remain in print throughout the ages So it has and now it can be read in David H Rosenthal's lively English Tirant lo Blanc presents the life of the Renaissance nobility politics lovemaking and war The hero participates in all these activities with a great deal of dash and good humor there is much excellent conversation along the way and by the time the story has come to its satisfying conclusion the modern reader is convinced that life was quite as complex 500 years ago as it is today and for the European nobility perhaps a good deal more entertaining

(Translated to English) Joanot Martorell, 2021-01-21 Tirant lo Blanc Some books take a little longer than others to make their way into the world But 494 years This was the question NY Times made some years ago Tirant lo Blanc is a book that time has done justice to a book that even the great Cervantes already knew how to value in his intervention in Don Quixote and that was not valued enough for not being written in a main language becoming the masterpiece of Valencian or Catalan literature for centuries Anyone who cares to dispute his greatness can argue not with me but with Cervantes In Don Quixote the Spanish novelist makes one of his characters say I swear to you my friend that when it comes to style it's the best book in the world This classic novel was published for the first time in the Catalan language in Valencia in 1490 Its main author was Joanot Martorell a gentleman who worked as a writer After his death the last quarter of the story was completed by Marti Joan de Galba another gentleman Martorell was primarily a combat knight who would have challenged anyone who dared to call him a man of letters to a duel on horseback with a spear and two swords For a gentleman that offensive phrase was reserved for lawyers and notaries three of whom hang in the first 100 pages of this 600 page story Featuring chivalric adventures combat romance and political manipulation its scenes span from England to Spain and the outposts of the Byzantine empire around the Mediterranean The fascination the legend the romance and the action are not lacking in a book that would mark the way to other works such as Don Quixote and that does not clash with other chivalric books such as the legends of King Arthur In this edition we have proceeded to translate the original version by Joanot Martorell and Joan de Galba into English to make the work more universal **Brinkman's cumulatieve catalogus van boeken**, 2002 Voorts een
