

The background of the book cover is a high-magnification, false-color aerial photograph of a complex integrated circuit (IC) die. The die is rectangular and filled with a dense, intricate pattern of circuitry. Various functional blocks are highlighted in different colors: large rectangular areas in bright green and red, and a prominent diagonal strip in purple and blue. A network of fine, light-colored lines represents the interconnects between these blocks. The overall appearance is that of a highly detailed, multi-layered electronic structure.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
