Legend for Dash Numbers

To determine the correct dash number for a spare part, follow the rules below:
1. If the 2nd digit of the serial number is numeric, use -000.
2. If the 2nd digit of the serial number is D, use -002.
3. If the 2nd digit of the serial number is H, use -004.

Compaq Presario Manual

Jean Andrews

Compaq Presario Manual:

Consumer Price Index Manual International Labour Office, 2004-08-25 The consumer price index CPI measures the rate at which prices of consumer goods and services change over time It is used as a key indicator of economic performance as well as in the setting of monetary and socio economic policy such as indexation of wages and social security benefits purchasing power parities and inflation measures This manual contains methodological guidelines for statistical offices and other agencies responsible for constructing and calculating CPIs and also examines underlying economic and statistical concepts involved Topics covered include expenditure weights sampling price collection quality adjustment sampling price indices calculations errors and bias organisation and management dissemination index number theory durables and user costs

Producer Price Index Manual International Monetary Fund, 2004-09-03 The producer price index PPI measures the rate at which the prices of producer goods and services are changing overtime It is a key statistic for economic and business decision making and inflation monitoring The Producer Price Index Manual Theory and Practice provides clear up to date guidance on the concepts uses methods and economic theory of the PPI including information on classifications sources compilation techniques and analytical uses of the PPI The Manual supersedes the previous international guidance on PPIs available in the Manual on Producers Price Indices for Industrial Goods published by the United Nations Statistics Division in 1979 The Manual s conceptual framework derives from the System of National Accounts 1993 and recent developments in index number theory Preparation of the Manual was undertaken by the Intersecretariat Working Group on Price Statistics through a technical expert group chaired by the IMF and involving representatives from the ILO the OECD the UN Economic Commission for Europe the World Bank national statistical offices and academic institutions

Export and Import Price Index Manual: Theory and Practice OECD, International Labour Office, International Monetary Fund, Statistical Office of the European Communities, United Nations, The World Bank, 2010-04-06 A joint production by six international organizations this manual explores the conceptual and theoretical issues that national statistical offices should consider in the daily compilation of export and import price indices Intended for use by both
