The Spiritual Transformation of Jews Who Become Orthodox Roberta G. Sands, 2019-06-01 A psychological study based on extensive interview data of Jewish adults who take on a devout lifestyle Spiritual transformation is the process of

changing one's beliefs, values, attitudes, and everyday behaviors related to a transcendent experience or higher power. Jewish adults who adopt Orthodoxy provide a clear example of spiritual transformation within a religious context. With little prior exposure to traditional practice, these baalei teshuvah (literally "masters of return" in Hebrew) turn away from their former way of life, take on strict religious obligations, and intensify their spiritual commitment. This book examines the process of adopting Orthodox Judaism and the extensive life changes that are required. Based on forty-eight individual interviews as well as focus groups and interviews with community outreach leaders, it uses psychological developmental theory and the concept of socialization to understand this journey. Roberta G. Sands examines the study participants' family backgrounds, initial explorations, decisions to make a commitment, spiritual struggles, and psychological and social integration. The process is at first exciting as baalei teshuvah make new discoveries and learn new practices. Yet after commitment and immersion in an Orthodox community, they face challenges, furthering their education, gaining cultural knowledge, and raising a family without parental role models. By showing how baalei teshuvah integrate their new understandings of Judaism into their identities, Sands provides fresh insight into a significant aspect of contemporary Orthodoxy. Sands's judicious and comprehensive application of social science theories to the study of Jewish returnees provides a unique contribution to the social scientific study of religion.

Roberta Rosenberg Farber, coeditor of *Jews in America: A Contemporary Reader* *Can Leopards Change Their Spots?* William Jefferson, 2022-08-01

Around AD 116, with early Christianity under extreme pressure, Roman Emperor Trajan condemned Bishop Ignatius of the Antioch church of Syria to execution by lions in the Roman Coliseum for Ignatius's refusal to recognize Trajan and other Roman gods as deities and for proclaiming Yahweh and his son Jesus Christ Incarnate the only true and living God. Trajan's highly decorated soldiers, led by Captain Maximus Aurelius, secured Ignatius on a year-long death march from Syria to Rome, chained to the soldiers daily to humiliate and intimidate Ignatius and fellow Christians. Along their journey, Ignatius wrote seven encouraging letters to Christian churches, in some of which he figuratively referred to these soldiers as leopards because of their cruelty. Ignatius's letters and his actions, expressing his love and forgiveness even for those vicious soldiers, and for Trajan, caused Aurelius and some of the soldiers to begin to question the then commonly held Roman view of Christianity as a fanatical superstition led by lunatics and followed by a band of atheists, and therefore to also question their traditional faiths in the gods of Rome. Most impressive about Ignatius to the soldiers was not only Ignatius's embrace of death but his belief that to die in faith in God is to gain eternal life with Him in heaven. Bitter conflicts arose among the soldiers over these matters, which exposed Aurelius's budding Christian faith to Roman authorities. In Rome, Aurelius's confession of faith in the God of Ignatius and his rejection of Trajan's offers to publicly denounce Christ resulted in Trajan ordering Aurelius's death in the Coliseum. With Ignatius, Aurelius's faith is strengthened as he endured beatings, isolation, and imprisonment, with Ignatius touching the lives of others who become advocates for Christianity. In the Coliseum, this story imagined the favor of God showing up for Ignatius and Aurelius in the form of miraculous happenings.

with the lion keepers with the lions and with Ignatius's and Aurelius's transformation into heavenly beings before the blood sport minded Roman Coliseum patrons Though many believe in Christ through these miracles Trajan refused to accept the sovereignty of Ignatius's God and suffered his own excruciating death At its core this storyaEURthough it depicts actual historical persons places and events in fictional guiseaEURencompasses scriptural guarantees exemplifying the availability of the limitless power of the Holy Spirit through love its most precious fruit to forgive and reach even the most hardened and resistant of men and women through God's redeeming Word and of the reality of God's promise to believers of abiding comfort in this world and of an awaiting home with Him in Heavenly Glory a promise extending through the life and times of Ignatius a real life martyr to each of us to this day

Bemba-Speaking Women of Zambia in a Century of Religious Change (1892-1992) Hugo F. Hinfelaar, 2025-02-10 Bemba Speaking Women of Zambia traces the often painful religious changes that have occurred among the Bemba speaking women of Zambia since the last decade of the 19th century It argues that the religious tenets of the traditional domestic cult had already been undermined by the centralising tendencies of the merchant princes before the arrival of the missionaries who based their church structures on the concept of the Bemba hierarchy The body of the book describes with great authority the creative redress of the women as channelled through independent Christian movements and through the mission churches themselves These chapters are especially important as it is shown in the last part of the book that these genuine reactions of the women could well offer material for genuine inculturation
