Cindy Trimm Commanding Your Morning Prayer:

Commanding Your Morning Cindy Trimm, 2007 Following the style of Trimm's bestselling books this small book is based upon the biblical principle of beginning one's day with a prayer strategy that allows believers to take command of the morning through spoken declarations that activate God's power in his or her life **Commanding Your Morning Daily Devotional** Cindy Trimm, 2014-01-07 God's Power Is New Every Morning If you want your life to change it all starts with what you think and say In her authoritative style Cindy Trimm helps you achieve victory over your circumstances through spoken declarations that activate God's power This inspiring devotional based on her best selling book gives you prayers and dynamic teaching that will empower your day You will put meaning and purpose back into your life when you positively direct your thoughts words and actions toward the realization of your goals Begin each day by commanding your morning As you do know that whatever begins with God and His principles has to end right **Commanding Your Morning** Cindy Trimm, 2010-09-24 Your Words Have Power If you want your life to change it all starts with what you think and say In her authoritative declarative style Cindy Trimm helps you achieve victory over your circumstances through spoken declarations that activate God's power You will put meaning and purpose back into your life when you positively direct your thoughts words and actions toward the realization of your goals Begin each day by commanding your morning As you do know that whatever begins with God and His principles has to end right *Summary of Cindy Trimm's Commanding Your Morning* Everest Media, 2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The power of the spoken word is beyond our understanding It is a spiritual mystery that has been hidden from us but now it is being revealed so that God's people can be equipped for an unprecedented era of influence 2 The universe begins with words and thoughts Everything in the universe revolves around these two elements Your thoughts intentions and aspirations whether they be secretly pondered in your heart or openly declared as desires mold and shape your personal universe into something that is either grand and beautiful or base and hideous 3 What you say matters greatly Your thoughts provide the fuel for your words and your words provide the fuel for your world It is important that you understand the meaning of what you are saying 4 The law of cause and effect also works with the law of attraction It states that like attracts like and your thoughts and words are transmitted like a shortwave radio signal They send messages out on a specific frequency and are transmitted back to you manifested as an experience or occurrence in your life **Commanding Your Morning Daily Devotional** Cindy Trimm, 2014 In *Commanding Your Morning* Cindy Trimm helps readers achieve victory over their circumstances through spoken declarations that activate God's power The *Commanding Your Morning Daily Devotional* makes that message even more practical by giving them daily teaching scriptures and declarations that will empower them to start every day off right Cindy writes in *Commanding Your Morning* that what begins with God has to end right Anyone wanting a successful day will benefit from this practical devotional **Eternal Nuggets** Mark Nyarko, 2018-08-30 It is

generally known that the spirit realm is the transcendent or absolute reality that actually gave birth to our temporal reality or what we know to be physical material temporary realm Because our existence owes its source to the spiritual realm the latter is actually what dictates events in our realm It takes no effort to realize that not only is the bible an integrated message but also one that has its origins in another dimension of existence beyond what we are accustomed to Have you wondered how the Bible accurately describes scientific phenomena millennia before science arrived on the planet How on earth did Moses know how the world was created when no man was on the scene at the beginning of creation It does not take a genius to fathom that there has to be a supreme being a God out there who is the source and sustainer of all life Like I said earlier on whether we are aware or not life in this temporary material realm is influenced even directed from another realm the spiritual That is why it is important that we understand this realm and cooperate with it to get it to work with and for us Paul wrote in 2 Corinthians 4 18 While we do not look at the things which are seen but at the things which are not seen For the things which are seen are temporary but the things which are not seen are eternal He is saying that our focus should be on the unseen eternal realm which is the real reality because that is permanent as opposed to this realm that is but a passing shadow The need to focus on the things that don't change becomes even more crucial because of the sheer amount and complexity of change that we have to contend with in our lives Changes in technology science medicine career and the work place are so fast and complex that we need something strong enough to provide the necessary moorings to hold our lives in place and provide the necessary balance to our lives if we are not to be swept away by the change Even though change is unsettling disruptive and can be scary even good change it brings opportunities and progress So how do we maintain our sanity and embrace the necessary change It is my conviction that we do this by turning to and focusing on the things that do not change The things that do not change include God and his word humans in our basic makeup and constitution and our biological makeup and sexuality family society relationships parenting etc Of course the way these may be defined may change over time but the fact is that they are there This is why it is important to access the right information from the source of this realm the spirit realm to influence and direct our lives in this realm because even though the way man has come to view certain things may have changed over time the spirit realm is not subject to same change as this This is the reason why it is important to know God's truth on every issue of life and apply it accordingly Now the Bible says that Jesus is the only legitimate door to the spirit realm According to John 10 9 10 Jesus says I am the door If anyone enters by me he will be saved and will go in and out and find pasture The thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly He is the only authorized dealer mandated by God to take people into the Father's presence and hence the only mediator between man and God As you embrace the truths enshrined in this book understand that you are calling on a power greater than yourself from a source beyond this temporal realm to intervene in your life and that of your family Make the truths enshrined in Eternal Nuggets your truths by incorporating them
