Defrocking The Gospel Of Thomas Hidden Spiritual Mysteries Unveiled:

Defrocking the Gospel of Thomas Jim Young, 2015-05-27 DEFROCKING THE GOSPEL OF THOMAS WHAT THE CHURCH HAS FAILED TO TELL US An amazing turnaround of Jesus teachings profoundly penetrating A shape shifting treatment of spiritual discernment from Jesus to the guide he left us A teacher s dream opening the doors of enlightenment through spiritual metaphor Many of us who follow Jesus have formed and maintain a religion about the man Jesus rather than learning how to live from his teachings So we are generally left with finding our view of God in the words and images that come to us from those outside ourselves Jesus implored us to form an intimate relationship with our inner Voice the only Voice of spiritual authority cosmic Christ consciousness which speaks so clearly the Truth about living from within In DEFROCKING THE GOSPEL OF THOMAS Young s explanations of the allegorical conversation between Jesus and Thomas take us beyond what most others suggest their meaning to be The explanations take the reader to a place deep within where the voice of Wisdom brilliantly replaces the musings of self importance Indeed this is a meal containing only Wisdom where each bite is to be savored with our spiritual palate in our heart of hearts

Decoding the Gospel of Thomas Raymond Thompson, 2010-01-06 One of the greatest mysteries in history started to unravel in 1945 when two peasants from the Town of Nag Hammadi Egypt traveled into the desert to dig for fertilizer Here they found their own mystery and without knowing it let a genie out of a jug This is a spirit so large that when it reaches its full growth it will encompass the whole world As the peasants were digging they struck an object When they uncovered that object it was an ancient jug At first they were afraid to brake into it for fear it might contain a genie Curiosity and the hope the jug might contain a treasure finally overcame their fear and they broke it open What the jug did contain was a collection of old books from the early days of the Jesus movement Those books are both the genie the farmers feared and the treasure of untold wealth they hoped to find One of those books was The Gospel of Thomas Here in Decoding the Gospel of Thomas we will give birth to the Genie in the jug and reveal some of the great treasure that vessel contained Come I invite you to join me as we journey through the one hundred and fourteen sayings of Jesus contained in the Gospel of Thomas and meet a Jesus who has been hidden for sixteen hundred years Here you will also meet the family you never knew you had mother father sister and or brother Within you also you will find your inner child who is longing for you to give birth to it regardless whether you are male or female Travel with me as we cross the Egyptian desert and learn to tame a lion Marvel while we gaze upon the mighty Sphinx and shout Now your ten thousand year old riddle is solved Here as we unmask some of those hidden years of Jesus we will learn some of the lessons he learned in Egypt studying in the temple of Isis Find what he found hidden behind the veil of that goddess within the holy of holies both of which are a secret bride chamber where the self weds the Self and in the process conquers death Mystery is the name of this game Mysteries that go back to earliest human history These are the same mysteries that are being revealed today through quantum physics and that discipline s relationship to spirituality These are mysteries that exist within the

K. Beale,Benjamin L. Gladd,2014-11-21 This book explores the biblical conception of mystery as an initial partially hidden revelation that is subsequently more fully revealed shedding light not only on the richness of the concept itself but also on the broader relationship between the Old and New Testaments As such it is a model for attentive and faithful biblical theology The Mystery of the Gospel Chuck Dieringer,2020-08 If you re not aware of the hidden truths that are buried throughout the Old Testament you re not going to understand the Bible The Mystery of the Gospel seeks to unveil what is concealed beneath the surface of the Old Testament and was later revealed in the New Testament Many Christians think the Old Testament is about Israel and the New Testament is about Jesus This is not true Jesus is the primary and central character in both the Old and New Testaments Through pictures types and shadows the undercurrent of the entire Old Testament is that it points forward to Jesus What did Jesus His apostles and the New Testament writers teach about the Old Testament Hint they all taught that it was about Jesus Journey with us as we explore the Old Testament for the hidden gems of Christ buried within Come let us discover together The Mystery of the Gospel Mysteries Hidden in Creation J T Shelton,2021-07-05 How old is the Earth What is the Abomination of Desolation How will the Mark of the beast fool even the very elect if that were possible What is the Mystery of Iniquity This is the overview of the mysteries that God revealed to me as I was searching the scriptures while writing a

book about the division of the kingdom of light and the kingdom of darkness Truth in the word is only revealed by God Jesus said Flesh and blood has not revealed this to you Simon Barjona but my Father in Heaven As I studied I began to KNOW the truth in a new exciting way Jesus said And you shall KNOW the TRUTH and the TRUTH shall set you free These mysteries are important in this time to unlock the full revelation of the sons of God the truth about Satan and reveal the knowledge you will need to avoid the deception that is going to descend upon the earth May God open the eyes of your understanding and fill you with all spiritual insight into the knowledge of him even Christ our head and the captain of our souls Hidden Mysteries in the Word of God Disclosed Dave Engelbrecht, 2018-07-07 Acknowledgement towards Grace This volume discloses certain mysteries hidden in the Bible sometimes difficult for the Carnal eye to observe I dedicate this book to the Lord my God Almighty who had visited me one day just one week after I decided to give my life to Him and made Him Lord over my soul and life On that occasion while I was praying during my tea break at work I was caught up into heaven and He told me to return to earth because my work is not finished yet and His desire is to train me in His Word by himself if I am willing to submit myself unto His teaching whereby I replied positively My Lord commanded me not to become involved in any other doctrines or denominations but stay committed to Him and He shall train me personally O boy and did He One day many years later He visited me again and asked me to sign a contract in which I declare that I shall never lie about the Word of God whereby I replied that I don't have any doctrine to protect which would make it much easier I asked Him what would be the catch as I always did when He visited me it is just my way of speaking with Him and he loves it By the way it was not the first time He paid a visit to me it became a habit through the years He visits me very often All He answered was that I shall see At that moment I could not figure out what it means because when He speaks a word or sentence something shall follow but pondering many times about that sentence Very soon afterward while I studied the Word as I normally did every morning from 12 00 before daybreak I realized that I reading the scripture's deeper meaning and understanding the scriptures much better than ever before The sentence He delivered me I shall see literally opened my spiritual eye in addition to read the Word as the Holy Spirit has intended to be when He had given it to the Holy people 2Pet 1 20 A few days Later Jesus appeared again unto me with a bunch of keys in his one hand but with a very great key between his thumb and first finger he prompted me to take this bunch of keys and with this great key I must open there Whereupon I replied where there And He just prompted again there At first I could not understand clearly what that means but within a few days I comprehend the message that there is the secret place of the Almighty where He and Moses agreed together Ex 25 22 Therefore by His grace He has given the key unto me to open the secrets in the secret place Wow What a wealth of Wisdom is hidden in the Secret Place of the Almighty and the key is not a physical key It is the dialect of the Holy Spirit which is the key in this case which was handed to me I just love you Lord While teaching most of the secrets to my congregation they just sit in awe it hit them so hard some of them just fall in love with the Bible and God Himself that they study the Word for hours

in their own privacy at home Some of them cannot comprehend it and walk away as the disciples of Jesus in Jhn 6 66 Dear Reader as you read this book the hidden mysteries shall become relevant to you although you may at first think that this is a bunch of crab just open your mind and finish this book Afterward you will realize the relevancy of the truths Apply it to your life I give a Great hand of applause to the God of gods the King of kings Lord of lords and Priest of priests and my only BELOVED the Holy One *The Gospel of Thomas unveiled* Bernard Luguern, 2021-10-19 In 1945 twelve ancient books were found inside a sealed jar near Nag Hammadi Egypt One of those Gnostic tractates buried in the sand was the Gospel of Thomas one of the jewels of universal spiritual literature which is considered by some scholars as the fifth Gospel It is an anthology of 114 logia or sayings attributed to Jesus and collected by Jude Thomas his brother It is the earliest extant collection of sayings from the Galilean This chance discovery by an Egyptian peasant raises the question whether the New Testament s version of Jesus teachings is accurate and complete In Thomas work no mention is made of his crucifixion resurrection and miracles This manuscript portrays Jesus a sage rather than a messiah and contains his lost mystical teachings The raison d tre of this collection of sayings has puzzled scholars since its discovery The author gives the keys to decipher the Gospel of Thomas and reveals its secret This ancient manuscript reminds us that the Divine is within us and that the Kingdom of God is here and now Moreover this collection of sayings makes sense only within the context of non duality known in India as Advaita Vedanta This fascinating book takes the reader on a seven stage journey the seven provinces of the Kingdom to fulness and spiritual awakening This book includes a new translation of the Gospel of Thomas in common English and a full commentary of the 114 logia It is a book both for scholars and general public The Gospel of Thomas is a guidebook for spiritual practice It can transform your life as it did for many readers already
