Deaconess Study Guide:

Decently and in Order Marshall Donnell Mays, 2001 **Women Deacons and Deaconesses** Charles W. Deweese, 2005

Divided opinion on the topic of this book has caused controversy in Baptist history and life. Most Baptist individuals and churches have strongly opposed women deacons. Some Baptist associations have even disfellowshipped churches that have approved women deacons. And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons. However, thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions. The book presents arguments on both sides of the topic but lands squarely in support of women deacons.

Christian Orientation Bible Study Guide Ella Louise Barber, 2016-12-30

The Christian Orientation Bible Study Guide has an emphasis on old wives tales which makes it imperative for us to have a good understanding. If you have recently accepted Jesus, became a new Christian, this Bible study guide will place you on the right path of Christ thoughts and not the world's thinking. Have you ever asked yourself where God came from, pastors and their lifestyles, tithes and offerings, your adversaries, blessings, and Christians in general? Well, this Bible study guide provides some helpful biblical information. If you have loved ones such as family or friends that you have been trying to witness to, well, this Bible study guide is great to witness to anyone about Jesus. In addition, this Bible study guide is powerful and engaging with an ease of simplicity for all to understand. In addition, this Bible study guide can be used as a church new member's orientation, Sunday school, Bible study, prison ministry, Bible study seminary studies, weekly Bible study, personal Bible study, and home Bible study worldwide.

Deacon Training Kate Ward-Turner, 2008-05

Indifference toward deacon development places the church in a precarious state. By and large, congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office. When pastor and congregation disregard the need to have trained deacons, the office is allowed to recede into one of mere honor rather than service established in Christ. On the other hand, trained deacons or those in training discover exciting opportunities with which the office of deacons is filled. They come to perceive the office as one of service rather than honor. The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor. Unquestionable, God is looking for a special breed of deacons, a New Testament breed who are Spirit-filled and qualified. To say that deacons are qualified is to say also that they are trained for the work of deacons.
