The Brave Ones John Birmingham,2015-09-30 As the convoy growled and squeaked to a halt in the dark angry militiamen and soldiers began to shout and wave at the Australians demanding they move aside The Brave Ones vanguard presented as a B movie vision of some pirate biker gang from Hell a rat bastard outfit in black tee shirts camouflage pants long hair and bandanas with axes in their eyes and guns at the ready The Brave Ones follows the Indonesian Army s Battalion 745 as it withdrew from East Timor after the 1999 independence vote leaving a trail of devastation in its wake Birmingham s unflinching account reveals the scorched earth tactics of the retreating troops and shows just how close Australia came to armed conflict with Indonesia

Appeasing Jakarta John Birmingham,2001-06-01 In the second Quarterly Essay John Birmingham takes apart the folly of twenty five years of Australian policy on East Timor How did Gough Whitlam and Richard Woolcott in 1975 saddle this country with a policy that was bound to lead to the intervention of 1999 Why were shrewder voices ignored and why did we persist with an unworkable model Where does this leave us with an Indonesia still dominated by the old power elites And what was the tragedy like for the people of East Timor John Birmingham has written a passionate narrative history of the East Timor question which never turns away from the slaughter and sorrow of the people who suffered it Appeasing Jakarta is an analysis of what happened in 1975 when we condoned Indonesia s intervention and what happened in 1999 when we stood against it John Birmingham is deadly in his disdain for the way a defunct paradigm was clung to like a dogma but this is also an essay about the human cost written in flowing colours with a strong narrative streak and a swashbuckling power of dispatch Peter Craven Introduction It was a policy of wilful blindness made possible only because we were always somewhere else when the trigger was pulled

Earth As more unexplained phenomena spring up around the globe a granite mountain appearing in Australia sounds emanating from the earth s core flashes of light among the asteroids it becomes clear to some that the end is approaching and there is nothing we can do In *The Forge of God* award winning author Greg Bear describes the final days of the world on both a massive scientific scale and in the everyday emotional context of individual human lives Facing the destruction of all they know some people turn to God others to their families and a few turn to saviors promising escape from a planet being torn apart Will they make it in time And who gets left behind to experience the last moments of beauty and chaos on earth Nominated for the Nebula Hugo and Locus Awards *The Forge of God* is an engrossing read breathtaking in its scope and in its detail
