Confessions of a Golfaholic Paul Laubach, 2015-06-09 Confessions of a Golfaholic is a self deprecating look at one golfer's efforts to satiate his addiction with the game of golf During his quest Laubach had the opportunity to visit such golf hotbeds as Choctaw Mississippi Biwabik Minnesota Gothenburg Nebraska and Mesquite Nevada He played in temperatures ranging from 32 degrees to 103 degrees with snow flurries wind driving rain tornado warnings and heat advisories Five times he needed to return to a venue due to a variety of logistical nightmares and his own incompetence Through Confessions of a Golfaholic you can create your own great golf experiences by avoiding the many missteps of the author Backcover *Crazy Bitch* Danielle Neves, 2012 This book is not for the faint hearted the language fits the perpetrators of this kind of crime The words used in this book are what you would expect from violent men who abuse women Once you get over the shock you see just how clever this book is in its description of men who commit domestic violence This is a story that must be told it could save women from suffering at the hands of an abuser RECOMMENDATIONS A story of domestic violence portrayed through a series of letters from the victim to her abuser and the abuser to his brother Neves has done an incredible job of describing the pathology of a victim staying with her abuser and an incredible job of describing how the abuser justifies his actions The main characters are believable and read as if Neves is very aware of the psychology of domestic violence Talking Books Adult Library of Congress.
