Solomon, 2010 Though the conscience is a universal reality it is increasingly forgotten in discussions even in church The Conscience enlightens the reader on the nature and functions of the conscience It comprehensively examines what the bible actually teaches about the conscience and what roles it plays in the experience of salvation and spiritual formation Discover how the church can minister to the conscience through teaching modelling and healing as Bishop Robert Solomon analyses the role of the conscience in key areas of our lives the family workplace and the public square back cover Conscience in Philo and Paul Philip Bosman, 2003 Revised thesis doctoral University of Pretoria RSA 1996 **Ethical Rationalism and Secularisation in the British Enlightenment** Dafydd Mills Daniel, 2020-10-22 This book reassesses the ethics of reason in the Age of the Reason making use of the neglected category of conscience Arguing that conscience was a central feature of British Enlightenment ethical rationalism the book explores the links between Enlightenment philosophy and modern secularisation while responding to longstanding criticisms of rational intuitionism and the analogy between mathematics and morals derived from David Hume and Immanuel Kant Questioning in what sense British Enlightenment ethical rationalism can be associated with a secularising Enlightenment project Daniel investigates the extent to which contemporary and secular liberal invocations of reason and conscience rely on the early modern Christian metaphysics they have otherwise disregarded The chapters cover a rich collection of subjects ranging from the Enlightenment's secular legacy reason and conscience in the history of ethics and controversies in the Scottish Enlightenment to the role of British moralists such as John Locke Joseph Butler and Adam Smith in the secularisation of reason and conscience Each chapter expertly refines Enlightenment ethical rationalism by reinterpreting its most influential proponents in eighteenth century Britain the followers of Isaac Newton's bulldog Samuel Clarke including Richard Price Edmund Burke's opponent over the French Revolution and John Witherspoon the only clergyman to sign the US declaration of Independence
