Choose Them Wisely Thoughts Become Things:

Choose Them Wisely Mike Dooley, 2009-04-07 Living the life of your dreams isn't just about dreaming. It's also about living following your impulses, turning over every stone and stepping out into the world so that the wind can catch your sails. To those in the know, it's as if your dreams paint the picture and the Universe stands ready to bring it to life. *Choose Them Wisely* is filled with the same inspirational messages from the Universe that made the *Notes from the Universe* trilogy so popular, but the thoughts have been expanded, containing even more information and concrete examples for how to actually apply these ideas to everyday life. Author Mike Dooley's conversational, inviting tone welcomes readers at every level of self-development into the wonder of their own self-directed futures.

The Top Ten Things Dead People Want to Tell YOU Mike Dooley, 2024-02-20 A perennially popular book by a beloved author, now in an updated package with a new preface, sheds light on what the next life may have in store. A book about living that will help readers see more beauty, feel more power, and know more love. Don Miguel Ruiz, international best-selling author of *The Four Agreements*. If the dead could speak, don't you wonder what they would say to those of us they've left behind? What would they tell us to soothe our sorrow for their loss, calm our fears of what happens when we die, and fire us up to live the best possible lives we can right now? These are the questions New York Times best-selling author Mike Dooley seeks to answer in *The Top Ten Things Dead People Want to Tell You*, and ten years after its initial release, it's still one of Mike's most popular and beloved books. In pages filled with wisdom, humor, and yes, joy, Mike explores our most pressing and profound questions about the afterlife and this life by adopting the perspective of those who have made the transition to the next phase. Among the revelations and insights they share: We were ready, you are not. There's no such thing as a devil or hell. We're sorry for any pain we may have caused. Your pets are just as crazy, brilliant, and loving here as they were there. Nothing we say can prepare you for the beauty of the moment you arrive. New readers are discovering *The Top Ten Things Dead People Want to Tell You* all the time, and this anniversary release gives the book a fresh new package and new preface from the author to frame its invaluable insights for the times we live in now. Mike Dooley lifts the veil between our perceptual world and the world beyond our physical sight. He reminds us that we're always being guided. Read this book and reconnect with the love that is all around you. Gabrielle Bernstein, 1 New York Times best-selling author.

Channeled Messages from Deep Space Mike Dooley, Tracy Farquhar, 2018-09-18 New York Times best-selling author Mike Dooley, one of today's most celebrated New Thought leaders, holds a conversation with a collective of intelligent beings channeled by Tracy Farquhar to shed light on a new era of expanded awareness and limitless possibilities. How are we doing as a civilization? Why are societies so deeply divided? What happened to the many advanced cultures that

preceded ours Are there sentient beings visiting us from other planets and if so why haven't they made themselves known Is there a God like the one we've been taught to believe in And how far might spirituality take us or does science hold the key to progress We all ask questions like these not even expecting answers but what if answers existed Would we recognize the truth once uncovered Enter Frank a collective of eight beings from a distant planet who know what we're going through because they've been there too Their civilization once beset by many of the same challenges we face has now advanced to a point where they can offer an informed and compassionate perspective on our trials tribulations and triumphs here on Earth Speaking to Mike Dooley one of today's most celebrated New Thought leaders with medium Tracy Farquhar serving as their channel Frank answers questions about Life on Brahoshka from culture technology and education to leisure pursuits food supply relationships Pressing earthly matters from our political and social realities to the truth behind the Loch Ness Monster The power of imagination meditation concentrated thought divination and prayer The truth concerning angels other dimensions and what we can do to make a better world **The Great Awakening** Mike Dooley,2024 **Playing the Matrix** Mike Dooley,2019-07-23 From the New York Times bestselling author of Infinite Possibilities and Life on Earth Playing the Matrix is a master class for creating the life you want to live Tried and true delivered and perfected over a decade while being shared live with tens of thousands of students in 132 cities in 34 countries upon 6 continents This is Mike Dooley's advanced course on living deliberately and creating consciously The concepts he shares were born of material he's delivered to live audiences the world over culminating in his most impactful most transformational program ever Now for the first time in 17 years of touring these ideas are to be shared in book form At the heart of the Matrix lies a simple yet highly unexpected concept for creating major life change that's unlike anything shared by other teachers past and present It clearly reveals why manifesting sometimes works with incredible ease why it sometimes doesn't work at all and why on occasion it works and yet in hindsight we wish it hadn't Readers will not only learn about the Bermuda Triangle of Manifesting that too often leads to heartbreak and loss they'll learn how to navigate around it under full sail with their own new a ha moments that will teach them How to achieve clarity in purpose and desire and thereby avoid contradictions and self sabotage How to fuel their dreams with passion while not attaching to unimportant details and outcomes How to plan and take action on their dreams without messing with the cursed how's And so much more The 8-Bold Path Jennifer L.Kelly,2015-04-12 It isn't some sort of secret but there's a new consciousness shift happening around you at this very moment Some people call it the New Thought movement But no matter what you call it people are searching for a higher purpose In this guide you will receive quick insight into this new consciousness movement which in this book I have loosely based on Buddha's 8 Fold Path toward achieving Enlightenment It's an easy guide complete with exercises to inspire you toward living a more fulfilled life Find your passion Be happier Discover your true life's purpose Have more energy Appreciate the good things in your life Ready Let's get bold Life on Earth Mike Dooley,2018-07-24 What's happening in the world lately How can I be happy
