BIBLE Counseling Doug Mallett, Debra A Read, 2003-10 *Another Side of the Coin* Gregg N. Huestis, 2011-09-18 *Another Side of the Coin* is worlds apart from most other books that address the controversy surrounding the Faith Movement in that it answers the critics of Faith teaching by using quotations from those who have been accused of espousing heretical doctrine It is primarily a suitable answer to accusations made by Hank Hanegraaff in his 1993 book *Christianity in Crisis* *Another Side of the Coin* plainly and openly illustrates the teaching of the Word of Faith concerning faith the Deity of Jesus the cross sickness and the believer prosperity and God s will concerning it plus much more **SCM Studyguide**

Warren, 1997-09-25 This book tells how a group of Protestant theologians forged a theology of international engagement for America in the 1930s and 40s and how in doing so they informed the public rationale for the United States participation in World War II and stimulated American leadership in establishing both secular and international organizations for the promotion of world order This remarkable group included Henry P Van Dusen Reinhold Niebuhr John Bennett Francis P Miller Georgia Harkness and Samuel McCrea Cavert Warren show how in creating a coherent theologically derived position and bringing it to bear on contemporary international issues this group combined ideas with public action in a way that set the standard for American theologians social activism in the years to come **Study Guide and Workbook for Spiritual**

and Church Renewal James M. Dawsey, Sharon E. Wright, Scott Sikes, 2025-02-10 The decline this century in church attendance has been pronounced And polls show disconcerting ignorance about religious matters even among churchgoers Is there a path to spiritual and church renewal And what will become the shape of American Christianity this century As an accompanying volume to James M Dawsey s Handbook for the Christian Faith this workbook offers a summary of essential beliefs and practices of the faith identifies significant terms names dates and events in church history lists themes and materials to be learned provides exercises and suggests additional readings to enhance understanding The materials will prove of interest to all wanting to understand the role played by Christianity in western culture and to decipher the chaos of present day American Christianity But the Study Guide and Workbook for Spiritual and Church Renewal will be especially useful to Christians working through the Handbook for the Christian Faith reflecting more deeply on the meaning of the Christian heritage and seeking to discern a right path for contemporary Christianity The exercises in this workbook extend beyond understanding Christianity as a religion to readers better understanding themselves as Christians How shall we be faithful followers of Christ
