

Hi, guys!

This is Hensley, a CHRA aspirant this 2023.

I made this document in hopes to actively engage myself in my reviewing process. Initially, I intended to review solitarily but then I took a chance to interact with others and gladly found people who helped me understand more of what I do not know yet.

I still encourage you to open up the books, not only to pass the examination, but to also be adequately equipped when we actually become HR professionals.

I do not stand to the applicability of this document as well in the long run. So it would be really helpful for you if you kept keen awareness on the new laws and theories.

Should you need to connect with me, I am here:
