Chinese History For Middle School:

Hong Kong's Chinese History Curriculum from 1945 Flora L.F. Kan, 2007-01-01 Hong Kong's Chinese History Curriculum from 1945 Politics and Identity investigates the ways in which Chinese history has evolved as a subject in Hong Kong secondary schools since 1945 and the various social political and economic factors that have shaped the curriculum through an examination of a wide range of primary and secondary source materials and interviews This book examines how the aims content teaching learning and assessment of the Chinese history curriculum have evolved since 1945 It describes how Chinese history became an independent subject in secondary schools in Hong Kong despite the political sensitivity of the subject how it consolidated its status during the colonial period and how it has faced threats to its independence since the return of Hong Kong to China in 1997 An important element of the book is its in depth analysis of the major socio political and socio economic forces that have been involved in the development of Chinese history This book will be of interest to all who are interested in history education and curriculum development and readers who are concerned with history education

Outlines of Chinese History Li Ung Bing, 1914 **Chinese History and World History** Edwin George Pulleyblank, 1955 **Chinese History** Endymion Porter Wilkinson, 2000 Endymion Wilkinson's bestselling manual of Chinese history has long been an indispensable guide to all those interested in the civilization and history of China In this latest edition now in a bigger format its scope has been dramatically enlarged by the addition of one million words of new text Twelve years in the making the new manual introduces students to different types of transmitted excavated and artifactual sources from prehistory to the twentieth century It also examines the context in which the sources were produced preserved and received the problems of research and interpretation associated with them and the best most up to date secondary works Because the writing of history has always played a central role in Chinese politics and culture special attention is devoted to the strengths and weaknesses of Chinese historiography [Nation and the Writing of History in China and Britain, 1880-1930](#) Asier Hernández Aguirresarobe, 2022-08-19 Nation and the Writing of History in China and Britain explores through a comparative approach the reception of the nationalist worldview and its effects on the practice of history in China and Britain This book proposes that nationalism rather than a political doctrine is a way of making sense of the world which results from the combination of a set of definite assumptions The work analyzes how each one of these premises was accepted and negotiated by literati intellectuals historians and other scholars in the late nineteenth and early twentieth centuries The results of this research showcase how the reception of the new nationalist worldview crucially affected images of the past the present and the future in both societies and decisively framed cultural social and political debate In addition they likewise evidence the fundamental role that historical narratives play in the crystallization of national identities This book is perfect for readers interested in China and Britain during this time period but also to anyone attracted to new ways of conceiving nationalism and its role in our world **Sources in Chinese History** David Atwill, Yurong

Atwill,2021-03-03 Sources in Chinese History now in its second edition has been updated to include re translations of over a third of the documents It also incorporates nearly 40 new sources that work to familiarize readers with the key events personages and themes of modern China Organized thematically the volume examines China s complex history from the rise of the Qing dynasty in the mid seventeenth century through the formation of the People s Republic of China up to the present Each chapter begins with an annotated visual source followed by a chapter introduction and analysis of textual sources allowing students to explore different types of sources and topics Sources in Chinese History contextualizes the issues trends and challenges of each particular period Special attention has been made to incorporate a variety of viewpoints which challenge standard accounts Non traditional documents such as movie dialogues are also included which aim to encourage students to reconsider historical events and trends in Chinese history This volume includes a variety of sources such as maps posters film scripts memorials and political cartoons and advertisements that make this book the perfect introductory aid for students of Chinese history politics and culture as well as Chinese studies after 1600

Chinese Communist Studies of Modern Chinese History Albert Feuerwerker,S. Cheng,1961-06-30 The authors list and briefly describe nearly 500 books on modern Chinese history published in Communist China between 1949 and 1959 Includes an introductory essay

Toward a History Beyond Borders Daqing Yang,2020-03-17 This volume brings to English language readers the results of an important long term project of historians from China and Japan addressing contentious issues in their shared modern histories Originally published simultaneously in Chinese and Japanese in 2006 the thirteen essays in this collection focus renewed attention on a set of political and historiographical controversies that have steered and stymied Sino Japanese relations from the mid nineteenth century through World War II to the present These in depth contributions explore a range of themes from prewar diplomatic relations and conflicts to wartime collaboration and atrocity to postwar commemorations and textbook debates all while grappling with the core issue of how history has been researched written taught and understood in both countries In the context of a wider trend toward cross national dialogues over historical issues this volume can be read as both a progress report and a case study of the effort to overcome contentious problems of history in East Asia

Contemporary Studies on Modern Chinese History Zeng Yeying,2021-03-15 The study of modern Chinese history has developed rapidly in recent decades and has seen increased exploration of new topics and innovative approaches Resulting from a special issue of Modern Chinese History Studies this set is devoted to showcasing the healthy development of Chinese modern history studies and has already been revised twice in the original language This three volume set exhibits major achievements on the study of modern Chinese history and shows how the role of history was in debate transformation and re evaluation throughout this tortuous yet prosperous period Articles on 23 different topics are collected from over 30 prominent historians in order to represent their insights on the developmental paths of Chinese historical studies Drawing on a large number of case studies of critical historical events that contribute to the establishment of the People s Republic of

China this set offers a panoramic view on the studies of modern Chinese history In addition it incorporates more pioneering topics such as intellectual history cultural history and translations of overseas studies on contemporary Chinese history This set will be a valuable reference for scholars and students of Chinese history World War Two Legacies in East Asia Chan Yang,2017-10-18 How to remember World War Two in East Asia is a huge source of friction between China and Japan causing major diplomatic and political difficulties right up to the present As this book shows however there is also disagreement within these countries as to how to remember the war which in the case of China began immediately after the war and lasted with varying degrees of intensity until the famous textbook incident of 1982 marked the beginning of a more strongly anti Japanese position Based on extensive original research the book explores how China s remembrance of the war has evolved over time It not only explores the roles played by the national as well as local state actors in the formation of the Chinese war memory but also pays attention to the individual Chinese people It considers particular aspects of commemoration in China explores the corresponding situation in Japan and discusses the continuing impact on the relationship between the two countries
