De Wet Van Christus Een Katholieke Moraaltheologie Voor Priesters En Leken:

De wet van Christus Bernhard Häring, 1959 *De wet van Christus. Een katholieke moraaltheologie voor priesters en leken*, 1959 **De wet van Christus** Bernhard Häring (c.ss.r.), 1960 The Bond of Love: Catholic Teaching on Marriage & Sexual Ethics Willem Jacobus Cardinal Eijk, 2025-09-10 Contemporary attitudes toward marriage family life and human sexuality have undergone profound changes since the mid twentieth century spurred by a host of social and cultural factors Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church Indeed Catholic teaching on the truth of marriage and human sexuality is open to strong criticism including among groups of Catholics and seems at best poorly understood In The Bond of Love Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the Church s teaching on marriage and sexual ethics dispelling misconceptions and elucidating its truth with grace and clarity As he demonstrates far from being a set of arbitrary rules that constrain human freedom this teaching is instead a deep wisdom for human flourishing anchored in the truth of God and man divinely revealed within Scripture Tradition and the Gospel Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society He follows this with an exposition of the fundamental starting point of the Church s teaching on the nature of marriage and sexuality rooted in theological anthropology Next discussed is the virtue of chastity the integration of the sexual faculties into the personality and what it requires of both married and unmarried persons The volume concludes by addressing practices and circumstances that violate the essence of marriage This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors teachers and all of the Church s faithful striving to live in the love and communion that is grounded in Christ Practical Theology and the Interpretation of Crossing Boundaries Bert Roebben, 2003 In October 2002 the Tilburg Professor of Practical Theology Tjeu van Knippenberg retired In order to honour him as a bright scholar in the field of fundamental practical theology and pastoral care 23 of his colleagues at Tilburg University and elsewhere Nijmegen and Leuven contributed to this festschrift Their attention is focused on the concept of boundaries in practical theology between context and Christian tradition church and society personal identity and Christian narrative individual and community Different research projects out of the Tilburg tradition of practical theology are presented from an empirical hermeneutical perspective **De Wet van Christus. Een katholieke moraaltheologie voor priesters en leken. I. Algemeen deel. II. Bijzonder deel**, 1962 De band van de liefde Willem Jacobus kardinaal Eijk, 2022-09-22 Het standaardwerk over de ethiek van de Rooms Katholieke Kerk op het gebied van huwelijk en seksualiteit Willem Jacobus kardinaal Eijk schreef met De band van de liefde een standaardwerk over de huwelijksmoraal en de seksuele ethiek in de Rooms Katholieke Kerk De inhoud van wat de Rooms Katholieke Kerk leert over huwelijksmoraal is de meeste mensen wel bekend Maar heel vaak rijst de vraag waarom de Kerk andere waarden en normen voorhoudt dan de huidige westerse

cultuur Waarom houdt ze bijvoorbeeld vast aan het huwelijk tussen man en vrouw De visie op seksualiteit wordt bepaald door de visie op de mens en God Daaruit komt een seksuele ethiek voort die het welzijn van alle mensen op het oog heeft Dit boek biedt een mooie inkijk in het hart van de katholieke ethiek *Philosophica* ,1992 **De Nederlandse openbare bibliotheken en hun boekenbezit** J. P. van Swigchem,1966 *Archief voor de geschiedenis van de Katholieke Kerk in Nederland* ,1988
