

MUSIC REPORTS - BANK OF COMMENTS

During the year, **YEAR 1/2/3/4/5/6** has been exploring sound and how our voices and instruments can make many different sounds. They have spent time developing their creative skills by becoming composers and writing their own sounds to describe actions and to tell a story.

CHILD is a pleasure to teach and shows real promise in **HIS** music making. **HE** has worked well in creating musical ideas and I look forward to seeing his musical talent continue to develop.

CHILD enters into every lesson with enthusiasm and is always very keen to offer **HIS** own ideas to our music making. **HE** has good ideas and a good musical ear.

CHILD is showing signs of becoming a very good musician. **HE** is always keen to join in offering lots of musical ideas to composition work that we do. I am looking forward to hearing **HIM** play his **PIANO** in class soon.

CHILD is doing well in Music. **HE** readily offers musical ideas in class when we are composing and is now beginning to grasp some of the basic elements such as pulse and pitch.

CHILD clearly enjoys being creative and always has lots of ideas when composing simple musical ideas in class. In Year **2/3/4/5/6**, I would like to see **CHILD** focusing more on **HIS** own work and to spend less time paying attention to what others are doing.

CHILD tries hard in all music lessons. **HE** is making progress in Music and has enjoyed using instruments and making music in class. I would now like to see **HIM** become more confident in class and to share **HIS** ideas more frequently.

CHILD has the ability to be a good musician. **HE** can create and share some good ideas when composing in class. The one area that I would like **CHILD** to improve on is **HIS** ability to stay focused in class and not be silly.
