Communicating Security Civil Military Relations In Israel

Ian Westerman

Communicating Security Civil Military Relations In Israel:

Communicating Security Udi Lebel, 2013-09-13 This book analyzes the changes and tendencies expressed in the relation between army and society in Israel Since its inception Israel has been defined as a nation in arms a public space in which the security needs became central and to a great extent dictated the agenda and functioning of all the public arenas operating in it The theoretical investigation is accompanied by case study illustrations of special instances related to the nexus between security and society security and politics the army and the media the army and public relations security and culture bereavement and commemoration social motivation to serve in the army the army and foreign policy Lebel explores the connection between the military and culture in Israel against the backdrop of globalization individualism liberalism and social burn out in the face of survival and change Special Issue: "Communicating Security": Civil-military Relations in Israel

Udi Lebel, 2006 **Israel's Civil-Military Relations and Security Sector Reform** Ian Westerman, 2024-02-13 This book examines Israel's civil military relations CMR in order to explore alternatives to orthodox Western models of security sector reform SSR in post conflict societies This book argues that the guidelines of SSR have always tended to draw on theoretical work in the field of CMR and focus too heavily on Western liberal democratic models of governance Consequently reform programs based on these guidelines and intended for use in post conflict and conflict affected states have had at best mixed results The book challenges the necessity for this over reliance on traditional Western liberal democratic solutions and instead advocates an alternative approach It proposes that by drawing on an unconventional CMR model that in turn references the specific context and cultural background of the particular state being subject to reform there is a significantly higher chance of success Drawing on a case study of Israel's CMR the author seeks to provide practical assistance to those working in this area and considers the question of how this unorthodox CMR model might usefully inform post conflict and conflict affected SSR programmes This book will be of interest to students of military studies security studies Israeli politics and International Relations

Communicating Security Udi Lebel, 2013-09-13 This book analyzes the changes and tendencies expressed in the relation between army and society in Israel Since its inception Israel has been defined as a nation in arms a public space in which the security needs became central and to a great extent dictated the agenda and functioning of all the public arenas operating in it The theoretical investigation is accompanied by case study illustrations of special instances related to the nexus between security and society security and politics the army and the media the army and public relations security and culture bereavement and commemoration social motivation to serve in the army the army and foreign policy Lebel explores the connection between the military and culture in Israel against the backdrop of globalization individualism liberalism and social burn out in the face of survival and change **Civil-military Relations in Israel** Yehuda Ben-Meir, 1995 In Civil Military Relations in Israel Yehuda Ben Meir examines the reasons preventing Israel from becoming a garrison state A former deputy minister for foreign affairs and longtime member and analyst of the Israeli

political scene Ben Meir is uniquely qualified to give a behind the scenes picture of the intimate relationship between Israel's civilian and military leaders Civil Military Relations in Israel examines the changing face of the military over the years from an idealistic defense force to a professional army Ben Meir also views the great divisiveness in Israeli politics as a threat to the unified strength of purpose that in the past characterized the nation's civil authority and he examines present and future threats to continued civilian control of the military The book also delves into the legal and constitutional foundations of Israel's civil military relations providing a valuable perspective on the organization and role of the current defense establishment as well as the informal relationship between the key players in the system In addition Ben Meir pinpoints the areas in which the military is involved in key political decision making Despite continuing efforts to resolve the pattern of violence and conflict in the Middle East the long standing hostility between Arab and Jew in the region is unlikely to disappear in the near future And as long as such animosity lingers Israel's military will remain a strong force in Israeli politics Rereading Israel Bonna Devora Haberman, 2014-10-01 Setting aside vitriolic debates and worn postures Rereading Israel refreshes current conversations about Israel opening Jewish sources to interpret Israel in critical innovative and inspiring ways The book presents readers with an opportunity to engage ethically intellectually and emotionally challenging them to apply the resources at their disposal to grapple honestly and creatively with land and people history text and spirit This consideration invites those who read into a deep exploration of their roles and their relationships to the destiny of a profoundly human and unfinished sacred project **Politics and Government in Israel** Gregory S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel's geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel's foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today *Comparative Perspectives on Civil Religion, Nationalism, and Political Influence* Lewin, Eyal, Bick, Etta, Naor, Dan, 2016-06-27 Throughout history as well as in contemporary times religion has had a significant impact on society and culture Many times religious undertones are incorporated into political agendas or social movements in an effort to spur action from and engage the masses Comparative Perspectives on Civil Religion Nationalism and Political Influence investigates how belief systems political behavior and public action impact the general

populace Featuring theoretical concepts and empirical research across pertinent topic areas this book is a pivotal reference source for students scholars and public figures interested in social behavior religious studies and politics *Political and Military Sociology* Neovi M. Karakatsanis, 2017-07-05 Several contributions in this volume focus on the modern Middle East with other articles examining justifications for war the return of war veterans white nationalists and the activities of the Moral Majority Maria Markantonatou addresses the blurring of distinctions between civilians and combatants Udi Lebel investigates how the IDF is being changed by the increasing number of religious Zionists recruited Orlee Hauser argues that the experiences of women in the IDF vary depending on their positions and assignments Bruce McDonald compares the performance of the Feder Ram and augmented Solow models in accounting for economic growth in Iran Neema Noori examines the interrelationship of war the state and mobilization in Iran Molly Clever examines the justifications for war employed by both state and non state actors Christina Knopf uses relational dialectics to examine US veteran transitions David Bugg and Dianne Dentice analyze attitudes and perceptions of white nationalists Finally Aaron Davis considers the rise of the Illinois state chapter of the Moral Majority in the 1980s This volume in the Political and Military Sociology series also includes reviews of important new books in civil military relations political science and military sociology *Military Ethics Education and the Holocaust* Michael Dobkowski, George R. Wilkes, 2025-11-18 This book examines the nature of military ethics education after the Holocaust using a range of national case studies The volume examines educational opportunities offered by a range of militaries including the USA Australia Lithuania Austria and Israel and addresses substantive and contextual problems for ethical reflection on the basis of Holocaust history The first half of the work indicates how the particular educational gains sought from courses on the Holocaust and military ethics provide grounds for wider discussions of the normative consequences of engagement with the Holocaust The chapters in the second half of the book turn to a variety of historical contexts before and during the Holocaust which raise substantive ethical issues the formation of military professionals treatment of prisoners exercise of responsibilities in the face of institutional pressure the relationship between ethical outcomes and organisational ideology and the values of rescuers and resisters including those organising their resistance in divergent Jewish and Christian communities This volume will be of interest to students of military ethics peace and conflict studies defence studies Holocaust and genocide studies and World War II history

Communicating Security Civil Military Relations In Israel Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Communicating Security Civil Military Relations In Israel PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Communicating Security Civil Military Relations In Israel PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Communicating Security Civil Military Relations In Israel free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
