Dockery, Timothy George, 2012-04-30 A college education becomes truly meaningful when faith affects what happens in the classroom every day According to David Dockery and Timothy George it's only by stepping into the great tradition of Christian thinking that students can take hold of the true power of their education They demonstrate that vibrant world changing Christianity is not anti intellectual instead it assumes a long tradition of vigorous Christian thinking and a commitment to the integration of faith and scholarship as essential to the preparation of a next generation of leaders in the church the academy and the world As the first volume in a new series this book introduces an approach to the Christian tradition that is not simply historical overview but will also help students engage with contemporary challenges to their faith in various academic fields This reader friendly guidebook shows how to address those challenges by reclaiming the best of the Christian intellectual tradition With illustrations reflection questions and a list of resources for further study this book is sure to be a timely tool in

Ben Mitchell,Carla D. Sanderson,Gregory Alan Thornbury,2015-01-01 Jesus calls his followers to be salt and light in a fallen world Through the ages believers have grappled with what form Christian cultural engagement should take Various Christian thinkers have

advocated models of engagement and some recent models have used the discourse of the battlefield to speak of winning the culture war In a post Constantinian post Christian culture how are believers to live in the world without being of the world Throughout his ministry David S Dockery has persistently advocated convictional civility as a vision for contemporary engagement in which witness is more important than winning and fidelity is more effective than fighting In this volume respected Christian leaders honor him by presenting these essays that explore convictional civility as a lifestyle of bearing witness for Christ and of contributing to the common good From the pulpit to the public square and from the campus to the courtroom followers of Christ are to demonstrate Christian virtues through winsome civility and Christian values through wholehearted conviction
