Called to Serve Roberto Tinoco, 2023-11-28 We have been called by God for the salvation of our souls in order to live a life surrendered in worship of God but also to have a productive life in all aspects The child of God has been rescued from the world transformed by God and enabled to serve Christ his church and others The Christian must dedicate his entire life to service Therefore serving must be one of the most beautiful obligations that the believer can develop in this world When the child of God serves the Lord and other people he can find purpose in his life and live with a satisfaction that lasts forever Many Christians are consumers and not reproducers that is they continually need to be carried and supported since they have not grown enough to support themselves So we must ask ourselves why does this happen Why are many people in the local church inactive Why do many Christians not know what to do with their lives This book has been written with the purpose of helping the child of God know why he is here on earth and how he can live a productive life in Christ The objective of this book is to prepare and train children of God who have recently been baptized and who want to serve God but do not know how or where to do so Additionally it tries to fill the need of those pastors who have new people who want to serve God Therefore this book can serve as material for the preparation of male and female servants for the work of God Finally the child of God will learn that his calling will be realized by serving in a local Church ministry *The Call to Serve* Roderick Levi Evans, 2010-11-07 In this book we will examine the history and subsequent development of the Deacon's office in the Church In addition we will learn how the first men who were appointed to serve in the Church are the standard for which deacons and servants are to evaluate their service today In doing so the Church deacons and those called to serve will benefit from mutual understanding and cooperation **I Serve at God's Altar** Roger A. we have ever been before But that is not reality We must be systematic and strategic if we are going to grow in the Lord This book will help and lead you to grow spiritually Jesus said If we are to follow Him we are to take up our cross daily One Step Closer is a tool that will not only strengthen us now it will impact our eternity *The Fidelity Factor* Dr. S. Sagoe-Nkansah, 2017-12-07 Many Christian pundits agree the world is at a historic precipice and the cusp of an unprecedented move of the Holy Spirit It is Gods desire that no church Christian fellowship group team ministry or association be left behind However both leaders and followers within Christianity tend to overlook a crucial factor that could undermine and upend the progress of their organizations in a fundamental way This is the depth of trustworthiness reposed within those who work serve and worship alongside them as they hunger and pursue the upcoming spiritual revival More than three decades of working within church and leadership training outfits has taught the author that measuring the fidelity within spiritual workers is as crucial as pursuing the vision of the organization itself The dysfunction of unfaithfulness or infidelity is not just a marital problem but is generally a corporate problem affecting the attitudes of individuals towards group goals aspirations dreams visions and values The potential for unfaithfulness hides within every corporate organization Sometimes in the most unlikely places such as churches it can rear its ugly head Confronting this issue is the responsibility of church group leaders senior pastors church workers and church members who must expunge all forms of infidelity from their midst if their organizations are to survive thrive and achieve lasting revival Through using specific biblical principles The Fidelity Factor tackles the subject of corporate church fidelity from a variety of angles empowering the reader to identify this problem and thus contribute to building stronger organizations those that can participate in the upcoming move of God
