Conflict After The Cold War Updated Edition 2nd Edition:

International Conflict Resolution After the Cold War National Research Council, Commission on Behavioral and Social Sciences and Education, Committee on International Conflict Resolution, 2000-11-07 The end of the Cold War has changed the shape of organized violence in the world and the ways in which governments and others try to set its limits Even the concept of international conflict is broadening to include ethnic conflicts and other kinds of violence within national borders that may affect international peace and security What is not yet clear is whether or how these changes alter the way actors on the world scene should deal with conflict Do the old methods still work Are there new tools that could work better How do old and new methods relate to each other *International Conflict Resolution After the Cold War* critically examines evidence on the effectiveness of a dozen approaches to managing or resolving conflict in the world to develop insights for conflict resolution practitioners It considers recent applications of familiar conflict management strategies such as the use of threats of force economic sanctions and negotiation It presents the first systematic assessments of the usefulness of some less familiar approaches to conflict resolution including truth commissions engineered electoral systems autonomy arrangements and regional organizations It also opens up analysis of emerging issues such as the dilemmas facing humanitarian organizations in complex emergencies This book offers numerous practical insights and raises key questions for research on conflict resolution in a transforming world system *Encyclopedia of Conflicts since World War II* James Ciment, Kenneth Hill, 2012-12-06 This copiously illustrated A Z reference presents the most in depth information available about the various conflicts the world has endured local regional and international since World War II Some 142 conflicts are discussed and analyzed The *Encyclopedia of Conflict since World War II* with its coverage of all the countries of the world fills a critical need for clear comprehensive explanations of events not covered in such detail in any other reference source Entries end with an extensive bibliography and the encyclopedia includes maps chronologies and a general bibliography as well as an index designed to make the reader understand the correlation and relationships between individual conflicts

American Power after 9/11 M. Astrada, 2010-04-12 This study expounds upon the composition dynamics and consequences of the post 9 11 global security context by posing the following overarching research question how has the event of 9 11 further enabled the US to legitimately articulate disseminate and implement an absolutist security agenda ASA on the world stage **The World of Protracted Conflicts** Michael Brecher, 2016-05-26 The *World of Protracted Conflicts* seeks to frame the models to answer three crucial questions about interstate protracted conflict what are the most likely conditions for the onset of a protracted conflict its escalation persistence and its termination It presents the findings on protracted conflict occurrence continuation and resolution through testing these models and their derived hypotheses against the evidence from 33 interstate protracted conflicts in the last century These findings will in turn shed further light on the conflict crisis war linkage This book examines and explains patterns that exist in the eruption evolution and winding

down of these conflicts through a systematic comparison of recent and contemporary PCs Korea's Foreign Policy Dilemmas Sung-Hack Kang, 2010-12-13 Koreans historically consider their country as a victim of foreign powers sometimes seeing themselves as a shrimp among whales In fact Korea's national status has to a great extent been determined by the historical rivalries between the great powers This collection of essays produced over time by one of Korea's leading political scientists probes many of the fundamental post Korean War issues South Korea has wrestled with in the context of its foreign policy positions not least the question of how it actually defines its foreign policy its relationship with the United States and the ever present security issues Other essays examine the role of the US on the Korean peninsula after the end of the Cold War what policy directions South Korea should take towards North Korea what is North Korea's security policy and what are the conditions for reunification This thought provoking volume provides a valuable overarching framework towards a more informed understanding of how South Korea's relationship with the outside world has evolved in the twentieth century and the manner in which it is likely to do business in the twenty first Encyclopedia of Violence, Peace, and Conflict, 1999-08-16 The Encyclopedia of Violence Peace and Conflict a three volume set written by more than 200 eminent contributors from around the world takes advantage of increasing worldwide awareness in the public private commercial and academic sectors about manifestations of violence in all segments of society While the contributors do not use these volumes to make specific arguments they do describe and clarify the developments in thought that have led to current theories about and positions on violence and peace Our reviewers consistently note that while many in depth studies of war peace and aggression exist the attendant specialization keeps scholars from learning about related fields No publication competing with the Encyclopedia of Violence Peace and Conflict can satisfy their need for a vast introductory work to such a diverse and socially important field This major work includes more than 190 multidisciplinary articles with over 1 000 cross references and more than 2 000 bibliography entries for further reading which are arranged alphabetically for easy access More than 190 multidisciplinary articles with over 1 000 cross references Article outline and glossary of key terms begin each article Entries arranged alphabetically for easy access Three volume set with subject index of over 750 entries Articles written by more than 200 eminent contributors from around the world Routledge Handbook of Conflict Response and Leadership in Africa Alpaslan Özerdem, Sinem Akgül-Açıkmeşe, Ian Liebenberg, 2021-09-14 This handbook explores the challenges and opportunities for leadership and conflict response in the context of Africa at several levels Leadership plays a vital role in affecting conflict response but is frequently only examined at the macro level of state government and international organizations This handbook addresses the need to explore challenges and opportunities for leadership at several levels macro global regional national meso NGOs religious groups academics and micro civil society organizations youth groups women's organizations Analysis from multiple levels provides a broader explanation of conflict dynamics and helps to fit localized conflict transformation approaches into wider national or regional structures The multidisciplinary essays presented

in this volume encompass the psychological political and structural dimensions of conflict response and demonstrate how its success is fundamentally linked to the style of effectiveness of leadership among other factors The volume is divided into four thematic sections Part I The theory and dynamics of conflict response and leadership Part II Macro level leadership experiences in conflict response Part III Meso micro level leadership experiences in conflict response Part IV Recommendations for improved leadership in conflict response This book will be of much interest to students of conflict resolution peace studies African politics security studies and international relations in general China's Security Melvin Gurtov, Byong-Moo Hwang, 1998 Showing how economic technological and bureaucratic factors have reshaped Chinese military thinking and behaviour this text questions the perception of a China threat and provides an appraisal of the Chinese military establishment emphasizing the interplay of domestic and external forces *Towards New Global Strategies: Public Goods and Human Rights* Erik André Andersen, Birgit Lindsnaes, 2007-08-31 This book aims to contribute to the debate on global public goods a debate which has been taking place for some time in the UN and the World Bank among the regional development banks and bilaterally among states and donors There is a need for new visions and strategies and to examine global infrastructure on the basis of the idea that global public goods including human rights contribute to cohesion at local regional and international levels The book investigates the possibilities and disadvantages of applying the idea of public goods in a global context It explains the history of the concept and its significance for human rights The authors include in addition to academics representatives from public institutions civil society organizations independent consultants the media and the private sector *Post-Conflict Power-Sharing Agreements* Imad Salamey, Mohammed Abu-Nimer, Elie Abouaoun, 2017-07-27 The book surveys comparative power sharing models implemented in societies that have faced identity conflicts with attention given to post conflict design It analyzes the success and pitfalls of international experiences before proposing a model for Syria Contributors address the central question which among the set of power sharing agreements that have helped settle protracted identity driven armed conflict can provide Syria with a platform for dialogue negotiation and conflict mitigation The comparative analysis advanced in this book extracts lessons from countries such as Bosnia Herzegovina India Iraq Lebanon Mali Northern Ireland the Philippines and Sudan The prospect of a post conflict distribution of power in Syria is then unraveled from different sectarian ethnic and regional perspectives The authors also address challenges of peacebuilding such as violent extremism gender participation resettlements retributions transitional justice integration of armed groups and regional and international sponsorship
