Evangelicals, Worship and Participation Alan Rathe,2016-04-22 In discussions of worship the term participation covers a lot of ground It refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of Christian theology In this book Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as God s triunity missio Dei and the practical theology of participation Offering a fresh contribution to a young but important discipline the liturgically informed study of evangelical worship practice this book reconnects the evangelical tradition to the Great Tradition and in the process re appropriates classic concepts that are full of promise for contemporary ecumenical dialogue

Spinks, 2011-02 Religion today is in competition with the leisure and

entertainment industries Gen Y the postmodern generation is open to spirituality but most of today's young adults have not been born into faith communities where they feel any lasting allegiance Studies suggest that for the young belief in God is an optional matter a virtual consumer choice As a result different trends in worship and worship styles are offered by different churches to suit lifestyles attitudes and personal taste **No Holds Barred** Mark D. Roberts, 2010-06-30 God wants your whole heart So let him have it Does your relationship with God feel stale and predictable Do you struggle to find the time and energy for prayer Then perhaps you're being too polite with God If your prayers lack passion and honesty then God may be as bored as you are Guarded and religiously correct prayers might sound nice but to God they sound half hearted He wants you to pray with freedom boldness and raw honesty The prayers we find in the Psalms run the gamut from awed worship to stunned silence to doubt desperation and rage David and others like him had no time for safe sanitized prayers They wrestled with God when they prayed with no holds barred Starting today you can enjoy an energizing intimacy with God No Holds Barred will help you plunge deeper into different types of prayer asking thanking praising and confessing It also will lead you

into new forms of praying prayers of desperation and doubt prayers that question God's apparent slowness prayers that demand answers These are the prayers that hold your attention and that capture God's attention Don't wait any longer to begin a rich new conversation with God
