The Routledge Handbook of Gender and Communication Marnel Niles Goins, Joan Faber McAlister, Bryant Keith
Alexander, 2020-11-29 This volume provides an extensive overview of current research on the complex relationships between
gender and communication Featuring a broad variety of chapters written by leading and upcoming scholars this edited
collection uses diverse theoretical frameworks to provide insight into recent concerns regarding changing gender roles
representations and resources in communication studies Established research and new perspectives address vital themes in
this comprehensive text including the shifting politics of gender ethical and technological trends in gendered media and
gender in daily life Comprising 39 chapters by a team of international contributors the Handbook is divided into six thematic
sections Gendered lives and identities Visualizing gender The politics of gender Gendered contexts and strategies Gendered
violence and communication Gender advocacy in action These sections examine central issues debates and problems
including the ethics and politics of gender as identity impacts of media and technology legal and legislative battlegrounds for
gender inequality and LGBTQ human rights changing institutional contexts and recent research on gender violence and
communication The final section links academic research on gender and communication to activism and advocacy beyond the
academy The Routledge Handbook of Gender and Communication will be an invaluable reference work for students and
researchers working at the intersections of gender studies and communication studies Its international perspectives and the
range of themes it covers make it an essential and pragmatic pedagogical resource *Normal Instructor and Teachers*
