goes for a walk to clear her writer's block and ends up stumbling right into a real life murder mystery. Magnum, an adventurous beagle, comes running off leash toward her in the local park and she returns him home only to find his master dead on the entry floor. Cliff Cunningham was a championship bowler with a mean streak and a temper, and police are pegging his Golden Pin bowling trophy as the murder weapon. While any number of people could have clocked a strike by knocking him on the noggin, the prime suspect is a friend of Sara's mother, and she expects Sara to prove the woman's innocence. A tall order as the case isn't officially hers and belongs to a rival detective. But a promise is a promise, and Sara soon finds herself sleuthing undercover and off the clock in a world of polyester shirts and rental shoes. It's not all bad though as she's taking her friend and partner Sean McKinley along for the ride. They are better together than they've ever been split, and they're not amateurs at finding killers. Despite being up against small town hijinks and colorful characters who threaten to roll their efforts into the gutter, they are having fun. That is until they get close to the killer, and a dangerous twist puts their lives at risk. A completely addictive caper full of twists that offers up a serving of murder, a dollop of romance, and a dash of humor. This perfect blend of robust and sweet is bound to hit the spot with readers who are fans of Verity Bright, Tonya Kappes, and Agatha Frost. Readers love Carolyn Arnold. Arnold hooks me early and keeps me flipping pages. I am just going along for the ride, eager to go wherever the story takes me. Fundamental. Carolyn Arnold does such an amazing job creating a mystery that grips the reader right from the start and keeps the reader engaged through the entire book. Life as Leels. I like Carolyn Arnold's writing, whether it's a cozy mystery or an FBI thriller or something in between. Her writing flows well, and her characters are realistic. Bound 4 Escape. Arnold is one of the many authors whose work I will never tire of reading. Her writing pulls you in, and before you know it, the story is complete. Totally Addicted to Reading. *Ties That Bind*. Carolyn Arnold, 2011-05-25. Grab a badge and a gun and strap in for an absolutely gripping ride that's full of suspense from the beginning to the end. Readers Abode. She could feel him watching her. Though every time she turned to look, there was no one there. The rest of the world thought she was going crazy until it was too late. When Laura Saunders is found strangled in her home with a man's necktie, Detective Madison Knight is assigned the case. Her sergeant at the Stiles Police Department wants her to conclude it was an isolated incident and move on with the investigation, but Madison's not the type to cave under pressure. Madison is haunted by certain inexplicable clues at the crime scene, including the presence of a mysterious photograph. She believes the picture may somehow tie into the murder, but before she can dig into it, another woman's body is discovered in a local park. Heather Nguyen was also murdered with the same brand of necktie that had been used on Laura. On the surface, there doesn't seem to be anything beyond the way they were killed that connects the women. But as Madison delves into the lives of the victims, she unravels a web of deceit and betrayal and lays bare decades of deadly family secrets. Edging closer to the truth, Madison's quite sure at least one more woman is slated to die. But can Madison piece all the clues together in time to save her? A gripping crime thriller full of heart-pounding twists. Perfect for fans of Robert Dugoni, J.D. Robb.
