Cloud Of Sparrows:

Cloud of Sparrows Takashi Matsuoka, 2002-10-01 Enter a world of samurai and geishas ninjas and Zen masters in this rousing tale of Shogun Japan New York Post from the acclaimed author of *Autumn Bridge* Triumphant terrific This is a riveting read alternately playful and suspenseful People The year is 1861 After two centuries of isolation Japan has opened its doors to the West And as foreign ships threaten to rain destruction on the Shogun s castle in Edo a small group of American missionaries has arrived to spread the word of their God They have yet to realize that their future in Japan has already been foreseen For a young nobleman has dreamt that his life will be saved by an outsider in the New Year and it is said that Lord Genji has the gift of prophecy What happens next when the handsome lord meets an apparently reformed gunslinger and a woman in flight from her own destructive beauty sets the stage for a remarkable adventure For as this unlikely band embarks on a journey through a landscape bristling with danger East and West flesh and spirit past and future collide in ways no one least of all Genji could have imagined

Cloud of Sparrows Takashi Matsuoka, 2003 Emily Gibson has come to Japan as a missionary to start a new life In America her beauty drove men wild In Japan she possesses no beauty at all Matthew Stark speaks like a missionary but wears a pistol like a gunslinger Emily has come to Japan to bury her past Stark has come to kill his It is 1861 and after two centuries of isolation Japan has been forced to open its doors A whole way of life is about to die Lord Genji of the Akoaka Clan knows this Blessed with his family s power of prophecy he has foreseen that his and Japan s fate lie in the hands of outsiders But this knowledge is dangerous to many powerful men and deadly for Genji As intrigue mounts and the city of Edo and the Shogun s palace are smashed by foreign ships Genji plans his escape to his ancestral home the Cloud of Sparrows With him travel Emily and Stark and Heiko his beautiful geisha and a deadly spy However the road is long and there are many places along the way for a samurai to attack and for Genji to die

Cloud of Sparrows, 2003-08-01 *Autumn Bridge* Takashi Matsuoka, 2004-08-03 In the year 1311 in the highest tower of Cloud of Sparrows Castle a beautiful woman sits by the window watching as enemies gather below and fires spread through the night As she calmly awaits her fate she begins to write carefully setting down on a scroll the secret history of the Okumichi clan of the gift of prophecy they share and the extraordinary destiny that awaits them For six centuries these remarkable writings lay hidden until they are uncovered by an American woman a missionary named Emily Gibson who arrived in Edo harbor in 1861 in flight from a tragic past Soon an extraordinary man would enter her life Lord Genji of the Okumichi clan a nobleman with a gift of prophecy who must defend his embattled family and confront forbidden feelings for an outsider in his midst Emily too soon finds herself at a turning point courted by two westerners she knows her heart belongs to the one man she cannot have But Emily has found a mission of her own translating Genji s ancestral history losing herself in an epic tale of heroism and forbidden love For here is the story of Lady Shizuka the beautiful witch princess who has enchanted Okumichi men for generations of Genji s ancestors Lord Hironobu and Lord Kiyori and of the terrible betrayals that befell them and of Genji s

parents a wastrel father and his child bride whose tragic love has shaped Genji as a leader and as a man As Emily sifts through the fragile scrolls she begins to see threads of her own life woven into the ancient writings And as past and present collide a hidden history comes to life and with it a secret prophecy that has been shrouded for centuries and may now finally be revealed Takashi Matsuoka s spellbinding novel is infused with spectacle intricately woven magically told Autumn Bridge is a feast for the senses a work of truly dazzling storytelling **Cloud of Sparrows Boxed Proof** T Matsuoka,2002-06-01
