

A hot air balloon with red and blue stripes is floating in the dark night sky over a body of water. The balloon's reflection is visible in the water below. A small, bright light source, possibly the moon, is visible in the upper left corner of the sky.

Dead Is Not An Option:

Dead Is Not an Option Marlene Perez, 2011-05-02 The author of *Dead Is Just a Rumor* delivers a paranormal tale that will remind you of *Twilight* with the vamp versus werewolf. It's awesome. Teen Ink. It's springtime of senior year and psychic sleuth Daisy Giordano is preparing to say goodbye to Nightshade High. But no college acceptance letters have arrived yet and she's beginning to worry about where she'll end up come fall and if it will be anywhere near her boyfriend Ryan. But that's not the only uncertainty Daisy's dealing with. There's a vamp's versus shifters war going on in Nightshade and things are so tense that there is talk of canceling the prom. The conflict is carrying over to the Giordano home since Rose and Daisy are both dating werewolves and Poppy's new boyfriend is a vampire. Can the paranormal community in Nightshade finally find peace? And will Daisy and her friends survive graduation? All of these questions and more are answered in this explosive installment in the *Dead Is* series. Once again Perez offers up a clever mix of reality, senioritis, high school graduation events, part-time jobs, and young love and paranormal elements. Although familiarity with the other four books in the series will certainly give readers an advantage, here newcomers to Nightshade High will have few problems following the sometimes tense, often humorous plotlines. **Booklist**
