attempted to select the tales common both to Erin and Alba He included as specimen of the Irish medi eval hero tales one of the three sorrowful tales of Erin The Tale of the Children of Lir For the drolls or comic relief of the volume he drew upon the inexhaustible Kennedy and the great J F Campbell who still stands out as the most prominent figure in the history of the Celtic Fairy Tale Jacobs attempted to do what the brothers Grimm did for Germany so far as that was possible In Jacob s own words The Celtic materials are so rich that it would tax the resources of a whole clan of Grimms to exhaust the field In this volume you will find 20 Celtic tales of Jack the Cunning Thief Paddy o Kelly and the Weasel the Dream of Owen O Mulready The Farmer of Liddesdale The Greek Princess and the Young Gardener Elidore the Ridere of Riddles and more In Jacobs own words The Celts went forth to battle but they always fell Yet the captive Celt has enslaved his captor in the realm of imagination In an attempt to give a library of the Celts wealthy imagination to his readers Jacobs has attempted to begin the readers captivity with the earliest recordings of these tales And captivate he does More Celtic Fairy Tales not only preserves a cultural history but is also richly entertaining We invite you to curl up with this unique sliver of Celtic folklore not seen in print for over a century immerse yourself in the tales and fables not heard in homes for many a year A percentage of the profit from the sale of this book will be donated to the Prince s Trust for their work with youth across the United Kingdom
