

The background of the slide is a painting. The top half shows a barn with a white roof and a small window, set against a warm, orange-hued sky. The bottom half shows a person in a red shirt and dark pants walking away from the viewer on a dirt path, carrying a bag. A white cow stands on the path next to the person. The overall style is impressionistic with visible brushstrokes.

Bulletin Detroit Public Library, 1910 **Quarterly Bulletin**, 1910 **The Boy Generals: George Custer, Wesley Merritt, and the Cavalry of the Army of the Potomac, Volume 2** Adolfo Ovies, 2023-10-19 Al Ovies combines an impressive array of source material and intricate analysis to craft a historical gem This is a must read for anyone interested in Civil War cavalry and later war actions in the Eastern Theater Scott Patchan author of *The Last Battle of Winchester* The second installment of Al Ovies' *The Boy Generals* trilogy George Custer Wesley Merritt and the Cavalry of the Army of the Potomac from the Gettysburg Retreat through the Shenandoah Valley Campaign of 1864 encompasses a period jammed with tumultuous events for the cavalry on and off the battlefield and a significant change of command at the top Once below the

Potomac River the Union troopers raced down the east side of the Blue Ridge Mountains but were unable to prevent General Lee's wounded Army of Northern Virginia from reaching Culpeper. The balance of the 1863 was a series of maneuvers, raids and fighting that witnessed the near destruction of the Michigan Cavalry Brigade at Buckland Mills and the indecisive and frustrating efforts of the Bristoe Station and Mine Run campaigns. Alfred Pleasonton's controversial command of the mounted arm ended abruptly only to be replaced by the more controversial Philip H. Sheridan whose combustible personality intensified the animosity burning between George Custer and Wesley Merritt. Victory and glory followed the Cavalry Corps during the early days of Overland campaign particularly at Yellow Tavern where Rebel cavalier Jeb Stuart was mortally wounded. The spirited rivalry between Custer and Merritt in turn took a turn for the worse. At Trevilian Station the bitterness and rancor permeating their relationship broke into the open to include harsh official reports critical of the other's actions. Merritt's elevation to temporary command of the 1st Cavalry Division cemented their rancor. Just as their relationship worsened so too did the tenor of the war darken as the sieges of Richmond and Petersburg ground on and Confederate partisan Col. John S. Mosby intensified guerrilla operations that disrupted Union logistics in the Shenandoah Valley. When Gen. Ulysses Grant demanded that Sheridan escalate retribution the cavalry commander delivered his infamous edict to eat out of Virginia clear and clean as far as they go so that crows flying over it for the balance of the season will have to carry their provender with them. Much of the gritty task fell on the shoulders of the boy generals.

Adolfo Ovies well researched and meticulously detailed account of the increasingly dysfunctional relationship between Custer and Merritt follows the same entertaining style in the first installment. *The Boy Generals* changes the way Civil War enthusiasts will understand and judge the actions of the Union's bold riders. **Quarterly Bulletin** Detroit Public Library, 1910 **Quarterly Bulletin** Hackley Public Library, 1911 **Michigan Bibliography** Michigan Historical Commission, 1921 *Michigan Bibliography: Books, pamphlets, etc.-v. 2. Maps and atlases. Manuscripts in the Burton historical collection* Michigan Historical Commission, 1921

The Boy Generals Adolfo Ovies, 2021-06-11 First in a trilogy a study of the strategy, tactics and rivalry between two leaders of the Army of the Potomac's cavalry during the American Civil War. George Armstrong Custer's career has attracted its fair share of coverage but most Custer related studies focus on his decision making and actions to the exclusion of other important factors including his relationships with his fellow officers. Custer developed his tactical philosophy within the politically ridden atmosphere of the Army of the Potomac's Cavalry Corps. His relationship with his immediate superior Wesley Merritt was so acrimonious that even Custer's wife Libbie described him as her husband's enemy. *The Boy Generals* examines in detail the steadily deteriorating relationship of two cavalymen with opposing tactical philosophies and how this relationship affected events in the field. Custer was a hussar, a firm believer in the shock power of the mounted saber charge while Merritt was a dragoon, his tactics rooted in the belief that the purpose of the horse was to transport the trooper to the battlefield where he could fight dismounted with his carbine. With these diametrically opposed belief systems it was

inevitable that these officers would clash What has often been described as a spirited rivalry was in fact something much darker an association that moved from initial distaste to acrimony and finally outright insubordination on Custer's part Author Adolfo Ovies mined deeply official reports regimental histories and contemporary newspaper accounts together with unpublished and little used primary sources of men who fought in their commands This rich and satisfying study exposes the depths of one of the most dysfunctional and influential relationships in the Army of the Potomac and how it affected cavalry operations in the Eastern Theater The Boy Generals will change the way Civil War readers think of the premier Union army's mounted arm as well as George Custer's legacy Praise for The Boy Generals A grand effort a Must Read It will be a standard bearer a marvelous book that should remain among the very best It will certainly grace my library Frederic C Wagner III author of The Strategy of Defeat at the Little Big Horn Well written thoroughly researched and entertaining This is one you cannot miss Eric J Wittenberg award winning author of The Devil's to Pay John Buford at Gettysburg A History and Walking Tour
