spend all their money on repayment rather than helping their people and they were firmly in US control Although he was strongly discouraged from doing so he published a best selling expose Confessions of an Economic Hit Man in 2004 As the same practices spread from government to business he updated his revelations in The New Confessions of an Economic Hit Man 2016 It explains how the system works today what a moral and honest replacement would look like and how we could all make that happen **The New Confessions of an Economic Hit Man (16pt Large Print Edition)** John

Montaqim,2012-02-24 ABOUT THE BOOK I first came across John Perkins s Confessions of an Economic Hit Man a few years ago when I was living and working in Abu Dhabi a tiny city state which serves as the capital of a conglomerate of similar city states including Dubai all collectively known as the United Arab Emirates or the UAE which itself is located on the eastern coast of the Arabian peninsula And although the UAE had been peaceful and prosperous for many decades I couldn t help but think about the fact that I was in the middle of the most dangerously volatile and highly militarised region on Earth The year was 2008 The war in Iraq was still rumbling on and in my more paranoid moments I thought the conflict could escalate in a

flash and instantly embroil other countries in the region What I did not spend a single moment worrying about however was the unprecedented terror caused by the global economic crisis Who did I didn t think about it because unlike armies banks and financial institutions are forces of a largely invisible kind of activity And I never knew finance could cause so much devastation MEET THE AUTHOR Abdul Montaqim is a journalist based in London and has been working in the media since 1989 Among the more well known titles he has written for are The Guardian newspaper Time Out magazine and the International Business Times website He has edited a number of local and community newspapers magazines and websites and has over the course of his career worked for some of the largest publishers in Europe including Emap LLP and Mirror Group Newspapers Abdul has also worked outside of the United Kingdom moving to Abu Dhabi for a year to work on the first national daily newspaper in United Arab Emirates The National and he has consulted for media companies in Bangladesh where he was born EXCERPT FROM THE BOOK The job of EHMs and their colleagues is to persuade countries to take out loans worth billions of dollars often to pay for infrastructure projects that the EHMs themselves recommend writes John Perkins in his book Confessions of an Economic Hit Man If the persuasion tactics of the EHMs fail the CIA jackals as he calls them take over and often assassinate the leaders of governments who do not co operate such as Jaime Roldos president of Ecuador and Omar Torrijos president of Panama Perkins starts his story by wondering how he had grown up to be involved in such a dirty business He remembers Ann and her uncle Frank who suggests working for the NSA and being a Peace Corps Volunteer Buy a copy to keep reading Confessions of an Economic Hit Man John Perkins,2004 A former consultant to the U S government reveals the inner workings of the high stakes economic game that encourages third world economies to borrow money so that major corporations like Halliburton end up getting the lucrative contracts The Secret History of the American Empire John Perkins,2007-06-05 From the author of the New York Times bestseller Confessions of an Economic Hit Man comes an expos of international corruption Perkins suggests how Americans can work to create a more peaceful and stable world for future generations
